HELP START YOUR WEEK SMOOTHLY BY HAVING THE RIGHT FORMS

Below is an explanation for the three most common types of forms/documentation that Scouts and Adult Leaders need to provide either before or upon arriving at camp.

SPECIAL DIETS

Allergies and special diets are a common concern of our campers. Our food service providers are happy to accommodate any diet for religious, medical or allergy needs; however, a form must be submitted three weeks prior to arrival. The online form can be found at: www.stlbsa.org/camps

BSA ANNUAL HEALTH & MEDICAL RECORD

All youth and adults attending camp must have a current BSA Annual Health & Medical Record form. Part C of this form requires a visit to a physician, nurse practitioner, or physician's assistant. Please note that school, sport, or any other physical form cannot be substituted for the BSA's form. The most current form is found at <https://www.scouting.org/health-and-safety/ahmr/>

MERIT BADGE PRE-WORK

Many of the Merit Badges we offer have prerequisites. These are requirements that cannot be completed at camp. Review these prerequisites in this guide well before camp and come prepared so that you can complete the badge. Counselors may ask for documentation or other proof of completion of these requirements.

A Scout is welcome in any Scout camp, whether or not he or she owns a Scout uniform.

Health & Safety

Camp Lewallen is staffed 24 hours a day by qualified health personnel. All injuries and illnesses, no matter how minor, should be reported to the Kinder Medical Lodge. Persons with serious injuries or illnesses requiring hospitalization will be transported to nearest medical facility. If an emergency occurs that requires calling 911, also contact your camp office immediately.

MEDICAL FORMS & RECHECKS

Every Scout and adult attending camp must – upon arrival – present a completed health record: Parts A, B, and C of the current Annual Health and Medical Record. Part C must be signed by licensed medical personnel (limited to a doctor of medicine, doctor of osteopathy, physician’s assistant, or nurse practitioner). The Annual Health and Medical Record requires a yearly medical exam by licensed medical personnel for all Scouts and adults attending camp.

Medical recheck takes place in the campsite by the troop counselor and an adult leader of the troop. Medical forms should remain in the campsite until checks are completed.

Adults who will spend fewer than 72 hours in camp are classified as visiting leaders and are not required to have the physician’s statement. They must complete Parts A and B of the Annual Health and Medical Record.

Medical forms can be downloaded from the Summer Camps page at stlbsa.org. The forms can be filled out online, printed, and saved with the typed information. Beware of common errors: missing date of physical, doctor’s signature, and tetanus shot date.

Unit leaders should collect and review all medical forms prior to camp. If the unit leader has any questions concerning a Scout’s medical form, they should contact the Scout’s parents.

EXPERIENCING SYMPTOMS?

For the safety of everyone in camp, Scouts and adults are not to attend camp if they have had flu-like symptoms in the 3 days prior to their arrival in camp. Flu-like symptoms include fever (100 degrees or higher), cough, sore throat, chills, headache, fatigue, vomiting, and/or diarrhea. Parents and unit leaders are responsible for ensuring that Scouts and adults who are ill do not come to camp.

MEDICAL TRANSPORTATION

Parents of Scouts are responsible for the cost of any treatment that cannot be done in camp. Non-emergency transportation of a Scout or leader to a hospital is the responsibility of the troop. In case of an emergency, transportation is provided by local authorities. Parents of the Scout are responsible for any costs incurred for emergency transportation.

MEDICATION

Medications **MUST** be kept secure and dispensed by the unit leader. Unit leaders should keep track of when, how much, the type, and by whom the medication was dispensed. When requested, the camp holds medications requiring refrigeration or those that the camper and his leaders feel uncomfortable holding.

Opening Day & Arrival

ARRIVING AT CAMP

Your troop may move one trailer to the campsite between 9:30am and 1:00pm on Sunday. Each troop is responsible for moving its trailer, and all motorized vehicles should be in the camp parking lot by 1:00pm. **NO OTHER VEHICLES SHOULD BE AT THE CAMPSITE!**

Please plan on transporting your gear to the campsite if it is not in the trailer.

Upon arrival, Troops may go directly to their campsite and begin setting up camp. Keep in mind that there are often multiple units on the same campsite, so be sure to share the tent platforms that are on each site.

Troop Counselors will arrive on your campsite **at 1:00pm** to begin guiding your Troop through the check-in process including medical screenings and swim tests.

A unit leader **MUST** check-in at the camp office between 1:00pm & 3:00pm. This is to make sure the camp has an accurate list of attendees and all fees are settled.

Pre-camp swim checks are strongly encouraged! Guidance for completing these tests prior to camp can be found at <https://filestore.scouting.org/filestore/Outdoor%20Program/Aquatics/pdf/430-122.pdf>. Camp Aquatics Directors reserve the right to re-test anyone if they feel their swimming ability is in question.

While at Camp Lewallen, Scouts will stay in one of 10 campsites. Each campsite features canvas tent platforms and room for additional tents on wooden floorboards. Each tent has 2 military style cots.

Campsites all have potable water and latrines on site. Sites are also equipped with picnic tables and canvas dining flies along with multiple fire rings. Multiple sites have pavilions or shelters.

Campsites are often shared by 2 Troops. **Please keep that in mind when setting up camp if you arrive before the other Troop.**

*Hammocks can be used at camp, however, they may not be stacked and must be used following the BSA guidelines.

General Camp Information

TABLE CREW

Meals at Camp Lewallen are served family style in the dining hall. During your camp tour, your troop will learn about their table crew duties. These will include setting the table for each meal, getting food & drinks, and cleaning up after each meal. These are the steps that are necessary to help ensure a smooth dining experience at each meal.

RELIGIOUS OBSERVANCE

GSLAC employs a full-time camp chaplain that is available to conduct religious services and visit with scouts and leaders. The time and location for religious services will be announced at the Sunday leader meeting.

Camp Program

Wayfinder Program

The Wayfinder Program is our summer camp program for Scouts who have recently joined a troop or have just crossed over from Cub Scouts. This program replaced the Voyageur program of previous years. In Wayfinder, new Scouts are immersed in the Scouting Program and the S bar F Scout Ranch. Scouts will learn the patrol method and basic Scouting skills, and experience some of the many programs available at summer camp. Leaders will receive a printout of what was completed at camp, but the staff do not “sign-off” on the requirements.

WAYFINDER

Scouts may now register for individual rank sessions based on their needs. Sessions are divided into Scout and Tenderfoot, Second Class, and First Class. Each session is one hour long and meets Monday through Friday in the Wayfinder area.

Like merit badge registration, you can select the sessions that each scout needs.

Merit badges are no longer automatically included in the program. Depending on the number of rank sessions in which the scout is enrolled, he or she may register for 3-5 merit badges of their choice. The rank sessions have been scheduled to offer at least one Swimming merit badge session at a non-conflicting time.

There is no additional fee for the Wayfinder program.

Leaders with more than five Scouts in the Wayfinder program are asked to assist by providing adult supervision as they have time available.

Camp Program

Merit Badge Program

Unit Leaders should guide Scouts to set achievable goals. Some subjects require a greater length of time for instruction than others, and this should be taken into account when scheduling them.

Please remember to review this guide and schedule around certain activities that Scouts wish to participate in such as open swimming. Scouts should be able to have some free time at camp to enjoy themselves. There is much more to summer camp than merit badges!

Unless otherwise noted, merit badge classes are Monday through Thursday with Friday being reserved for make-up sessions. The merit badge catalog with full descriptions starts on page 18 of this guide. A summarized table can be found at <https://scoutingevent.com/312-2024Lewallen> under "Attachments."

The merit badge pamphlets for the badges offered will not be available at the Camp Trading Post, however, your Scouts are **STRONGLY** encouraged to buy or borrow pamphlets prior to camp. Scouts should obtain, read, and study the current pamphlet for each merit badge they wish to pursue prior to attending classes.

Partial completion of a merit badge is not a failure, it is what the name indicates; partial success. Many Scouts will complete only sections of badges with prerequisites or that are very difficult. They then can complete them with another counselor at home or back at camp the following summer. Partials are valid until a Scout turns 18.

Be sure to provide the required documentation for Scouts who have completed requirements for merit badges before they come to camp.

Scouts should review the conditions that must exist before performing CPR and be familiar with the CPR technique.

SBS69 Fishing, Fly Fishing

In Scouting for Boys, Baden-Powell offers this advice: "Every Scout ought to be able to fish in order to get food for himself. A tenderfoot [beginner] who starved on the bank of a river full of fish would look very silly, yet it might happen to one who had never learned to catch fish."

Fly-fishing is a specialized form of fishing that combines skill and artistry. Because it is so rich with tradition, it is a passion for millions of people. The beauty of the water, the solitude, and the skills that the sport requires have made fly-fishing very important in the lives of many notable people.

S-F Ranger Program

The S-F Ranger Program offers adventures beyond regular summer camp. Scouts participating in the Ranger Program increase their appreciation of nature, camping, and self-reliance.

The Ranger Program's activities take place at various locations at S bar F Scout Ranch. Scouts live in outpost camps, carry all equipment necessary for camping, and hike portions of the Three Notch Trail that show nature in its raw form. Leadership is provided for all participants until Friday afternoon.

Teamwork, problem solving, cooperation, and leadership development are important parts of the Ranger Program. Specific activities vary from year to year; typical activities include blacksmithing, ropes course, and black powder shooting. Scouts swim, have time to fish, and participate in games designed to improve outdoor skills. Since many of the activities require strength, some physical conditioning may be desirable before camp.

The Ranger Program is for Scouts age 14 or older.

Frequently Asked Questions

DO YOU HAVE A LOTTERY FOR SUMMER CAMP?

No. During the "Deposit Phase," troops select their camp, campsite, and week of camp on a first-come-first-serve basis. Please visit the [Scouts BSA Summer Camp](#) page for a list of available weeks for each camp.

HOW DO YOU COMPLY WITH BSA POLICY REGARDING TROOPS SHARING CAMPSITES?

Boy Troops and Girl Troops can only share a campsite when they are "Linked Troops". This means that they share the same Chartered Organization. If Troops are not linked, campsites will be single-gendered.

WHAT IF I DON'T KNOW HOW MANY SCOUTS WILL ATTEND CAMP?

That's ok! We know that numbers can be hard to estimate months before camp. We ask that troops estimate their attendance based on current troop membership, anticipated crossover Webelos, and any planned recruitment activities. We do not hold a set number of spots in reserve for each troop. Please do not grossly over-estimate numbers.

WHAT IS THE PARENT PORTAL?

The Parent Portal is an option in our online registration system that gives parents the ability to make payments and register for merit badges for their scout(s). The Scoutmaster will need to activate the Parent Portal within the unit's registration to use it. If you need assistance with this, please email help@stlbsa.org.

WHAT IF THE REGISTRATION SYSTEM SAYS MY PREFERRED WEEK IS ALREADY FULL?

All camps have a maximum capacity. This helps camp operate safely, have adequate equipment on hand, and provide Scouts a great program. If your first week choice is unavailable, please consider a different week. Weeks that occur later in the summer are oftentimes less-crowded and give Scouts even more program opportunities!
