TO REGISTER: Register and pay online using the links on our training page: <https://stlbsa.org/training/challenge-course-climbing/>

### General Information

Scouts BSA and Venturing Crew members can participate in Rock Climbing and Rappelling on natural rock faces at S Bar F and our Council climbing towers. *Units must provide trained leaders to facilitate Rock Climbing and Rappelling.* Cub Scout members may climb only (not rappel) on Council climbing towers. See separate flyer for Tower-only training.

The Wednesday night and weekend training course is required to become a Qualified Rock Climbing/Rappelling Instructor for the Greater St. Louis Area Council sites. You will receive site specific training at the natural climbing areas at S Bar F Ranch, and for the climbing towers at Beaumont, Camp Lewallen, and Camp Warren Levis. Climbing training qualifies you to take your unit climbing and rappelling at our council's climbing program sites and to lead rappelling on the Beaumont Tower (Scouts BSA or Venturing only, Cub Scouts are not permitted to rappel on towers or natural rock sites).
