OVERVIEW

There are four main steps to summer camp registration. First, the Unit Deposit (\$100, non-refundable) and estimated attendance. This secures the unit's reservation and lists a campsite preference. Second, confirming your numbers and assigning names to reserved camper spots. Third, per Scout payments of \$150. Once Scouts have paid at least \$150, they can sign up for merit badges and other sessions. Finally, your unit's remaining balance is paid.

UNIT DEPOSIT PHASE

PER SCOUT PAYMENTS

BEGINS JANUARY 6TH

\$150/SCOUT

- This can be managed by the unit or by utilizing the Parent Portal.
- Once a Scout has paid at least \$150, they can select their merit badges and sign up for additional programs.
- Remember, to receive the early bird rate - a Scout must be paid in full by April 15, 2025.

UNIT BALANCE DUE

PRIOR TO ARRIVAL

- Units can check and pay their balance in the Black Pug registration system at any time.

Preparing for Camp

REQUIRED FORMS

Help start your week of camp off smoothly by having the right forms when you arrive. Below is an explanation of the 3 most common types of forms/documentation that Scouts and Adult Leaders need to provide either before or upon arriving at camp.

BSA Annual Health & Medical Record

All youth and adults attending camp must have a current BSA Annual Health & Medical Record form. Part C of this form requires a visit to a physician, nurse practitioner, or physician's assistant. Please note that school, sport, or any other physical form cannot be substituted for the BSA's form. The most current form is found at <https://www.scouting.org/health-and-safety/ahmr/>

Outdoor Programs Parental Release - NEW FOR 2025

Each scouts (age 17 and under) must also have a signed [Outdoor Programs Parental Release form](#) to ensure that parents are aware of the rigorous nature of activities offered at summer camp. This form will be collected at the camp office as part of the check-in process.

Special Diet Requests

Allergies and special diets are a common concern of our campers. Our food service providers are happy to accommodate any diet for religious, medical, or allergy needs; however, a form must be submitted three weeks prior to arrival. The online form can be found at www.stlbsa.org/camps under the resources menu.

Health & Safety at Camp

CAMP MEDICAL STAFF

Camp Lewallen is staffed 24 hours a day by qualified health personnel. The camp medical director office hours will be posted. All injuries and illnesses — no matter how minor — should be reported to the health office. Persons with serious injuries or illnesses requiring hospitalization are transported by unit leadership to nearby emergency rooms or urgent care facilities. If an emergency occurs that requires calling 911, also contact your camp office immediately.

MEDICAL FORMS & HEALTH CHECKS

Every Scout and adult attending camp must — upon arrival — present a completed health record: Parts A, B, and C of the current Annual Health and Medical Record. Part C must be signed by licensed medical personnel (limited to a doctor of medicine, doctor of osteopathy, physician's assistant, or nurse practitioner). The Annual Health and Medical Record requires a yearly medical exam by licensed medical personnel for all Scouts and adults attending camp. As indicated on the form, **please attach a copy of each participant's insurance card to their medical form.**

National policy requires that all youth and adults go through a Health Check upon arrival. This takes will take place during check-in. Medical forms should remain in with the unit until these checks are finished. They are then stored in the camp office for the week.

Adults who will spend fewer than 72 hours in camp are classified as visiting leaders and are not required to have the physician's statement. They must complete Parts A and B of the Annual Health and Medical Record.

Unit Leaders should collect and review all medical forms prior to camp. If the unit leader has any questions concerning a Scout's medical form, they should contact the Scout's parent/guardian. Beware of common errors: missing date of physical, doctor's signature, and tetanus shot date.

MEDICATIONS

Medications **MUST** be kept secure and dispensed by the unit leader. Unit leaders should keep track of when, how much, the type, and by whom the medication was dispensed. When requested, the camp holds medications requiring refrigeration or those that the camper and his leaders feel uncomfortable holding.

Inhalers and Epinephrine Autoinjectors

We recommend that Scouts and leaders who use inhalers, epinephrine autoinjectors, and other emergency medications carry the medications with them at all times.

Health & Safety at Camp

EXPERIENCING SYMPTOMS?

For the safety of everyone in camp, Scouts and adults are not to attend camp if they have had flu-like symptoms in the 3 days prior to their arrival in camp. Flu-like symptoms include fever (100 degrees or higher), cough, sore throat, chills, headache, fatigue, vomiting, and/or diarrhea. Parents and unit leaders are responsible for ensuring that Scouts and adults who are ill do not come to camp.

MEDICAL TRANSPORTATION

Parents of Scouts are responsible for the cost of any treatment that cannot be done in camp. Non-emergency transportation of a Scout or leader to a hospital is the responsibility of the troop leadership. In case of an emergency, transportation is provided by local authorities. Parents of the Scout are responsible for any costs incurred for emergency transportation.

TRANSPORTATION TO CAMP

Each unit is responsible for the safe transportation of its members to and from camp, and to make sure that all vehicles meet national insurance requirements. Transporting Scouts or adults in a trailer or in the bed of a pickup truck — whether it is covered or uncovered — is against BSA policy and not allowed under any circumstances. Driving directions, maps, and other useful travel information is available on www.stlbsa.org/camps and later in this guide.

PARKING

Troop vehicles are not to be parked in the roads during the week. Units are encouraged to leave a trailer in the campsite in order to store gear, but all vehicles should be moved to designated parking areas as soon as gear has been unloaded. Do not block the roads, as they serve as vital arteries for camp logistics and during emergencies.

All campsites must be cleared of vehicles by 8:00pm Sunday evening unless prior permission has been arranged with the administration staff.

BUDDY SYSTEM

The buddy system is designed to provide an additional layer of safeguarding by ensuring no youth member is alone and that a buddy can get help in an emergency. The buddy system is used whenever youth members are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Read more about the makeup of buddy pairs or triples [here](#).

Health & Safety at Camp

TWO-DEEP LEADERSHIP

Every unit must provide at least two registered leaders over the age of 21 for all Scouting activities, including Summer Camp. Troops participating in the Scouting America combined Troop pilot program and Linked Troops must abide by any specific youth protection policies for these programs during their stay at camp.

NO NON-REGISTERED PARTICIPANTS

Summer Camp is for registered Scouts BSA members and leaders. Scouting America policies do not permit non-registered siblings or any age to attend. **Any adult leader who attends camp MUST be a registered member of the unit they are attending with.**

DRESS CODE

Scouts and leaders are required to wear appropriate clothing and closed-toed shoes while at Camp Lewallen.

- Shirts must be worn by all participants when not in the aquatics areas (see below for swimwear requirements)
- Shirts must be in good Scouting nature. Shirts other than scouting shirts are allowed, such as t-shirts, long sleeve shirts, sleeveless shirts, and jackets. Sleeveless shirts should not show off the chest area. Shirts should not contain inappropriate language, inappropriate graphics, or promote alcohol, drugs, or violence.
- Pants or shorts other than Scout shorts can be worn, such as athletic/gym shorts, jeans, and cargo shorts. All shorts/pants should be long enough to prohibit exposure of any bottom area.
- Closed-toed shoes are required at all times when not at the aquatics areas or at the showerhouse. Open-toed shoes (such as flip flops, crocs, and sandals) may only be worn at the aquatics areas or at the showerhouse.

Swimwear should be worn only at the aquatics area. Swimwear should be in accordance with the BSA's National Aquatics Subcommittee's recommendations, which state:

"Swimsuits should be comfortable, functional and modest. For males, swim trunks or board shorts are appropriate. Modest tankinis or one-piece swimsuits for females. Inappropriate swimwear includes swim briefs or swim bottoms short enough to allow exposure and bikinis."

DAMAGED EQUIPMENT

The cost of any damaged camp equipment will be billed to the unit. This charge will be for the replacement and/or repair cost of the damaged item.

Arrival & Opening Day

ARRIVING AT CAMP

You can easily follow the signs from Highway 67 to Camp Lewallen.

Your Troop may move one trailer to the campsite beginning at **12:30pm** on Sunday. Each Troop is responsible for moving its trailer. Once your trailer is at the site, your vehicle needs to be returned to the parking lot. **NO OTHER VEHICLES SHOULD BE AT THE CAMPSITE** unless approved by the Camp Director.

Keep in mind that there are often multiple units on the same campsite, so be sure to share the tent platforms that are on each site. It is a best practice to discuss this with other Troops before arrival at camp.

Assigned check-in times will be sent out 1 month prior to arrival at camp. These will be between 1:00pm - 3:00pm.

Starting at 1:00pm, the unit leader should report to the camp office to check-in. Their Troop Counselor (TC) will be assigned to them and lead the unit on their camp tour, medical rechecks, swim tests, etc.

Pre-camp swim checks are strongly encouraged!

Guidance for completing these tests prior to camp can be found at <https://filestore.scouting.org/filestore/Outdoor%20Program/Aquatics/pdf/430-122.pdf>. Camp Aquatics Directors reserve the right to re-test anyone if they feel their swimming ability is in question.

Life at Camp

YOUR HOME AWAY FROM HOME

While at Camp Lewallen, Scouts will stay in one of 10 campsites. Each campsite features canvas tent platforms and room for additional tents on wooden floorboards. Each tent has 2 military style cots. Hammocks can be used at camp, however, they may not be stacked and must be used following the Scouting America guidelines.

Campsites all have potable water and latrines on site. Sites are also equipped with picnic tables and canvas dining flies along with multiple fire rings. Multiple sites have pavilions or shelters.

Campsites are sometimes shared by 2 Troops. Please keep that in mind when setting up camp if you arrive before the other Troop. A Scout is courteous.

SHOWER FACILITIES

Camp Lewallen features two showerhouses with private showers and changing areas. There are also showers in each campsite with campfire-fueled hot water tanks. Cleaning responsibilities are also shared between the campsites for each shower facility.

MAIL SERVICE

Scouts love getting mail at camp! Mail takes several days to arrive, so you may wish to send mail prior to your Scout's departure for camp. Please DO NOT send mail after Wednesday of your Scout's week of camp. to ensure proper delivery, please use the complete address below:

Scout's Name & Troop Number

General Camp Information

DINING HALL & MEALS

Each unit's assigned table servers will arrive at the dining hall 15 minutes before each meal to set the tables. Units will line up 10 minutes before the meal in formation on the parade field in front of the Flag Poles.

Meals are served "family-style" in the air-conditioned Earl Jarvis Dining Hall at Camp Lewallen. During your dining hall orientation, your unit will learn about their Table Servers duties. These will include setting the tables and cleaning up after each meal. These are the steps necessary to help ensure a smooth dining experience at each meal.

There is a sign up sheet in the Dining Hall for unit leaders to volunteer to help plate bussing, scraping and the dish window. Please have each of your leaders sign up for a couple of meals so that we have coverage. This will greatly help the Dining Hall Steward and their assistant. Your help is greatly appreciated.

TRADING POST

We have excellent camp stores in all of our camps! Each Trading Post is stocked with an assortment of patches, cups, Scouting supplies, camp t-shirts, toiletries, snacks, and more! There is no specific amount of money a Scout should bring to camp, but on the average Scouts spend around \$50. Stores are open during program hours and in the evenings. Cash, credit cards, and tap-to-pay options are accepted.

CAMP T-SHIRT PRE-ORDERS

Units are **STRONGLY** encouraged to pre-order camp t-shirts. This will ensure Scouts and leaders get the size and quantity they need. You can pre-order shirts from www.gatewaytraders.org. The supply at camp will be limited.

COMING & GOING

The safety and security of every Scout is of paramount concern to all leaders and Staff. To enhance our security efforts, we require parents, leaders, and Scouts to sign in and sign out at the Camp Office when entering or leaving camp during the week. Scouts who are leaving camp before their unit will need to check out at the Camp Office with our staff while being accompanied by an adult from the unit to authorize the departure. If there are concerns of an individual Scout's well-being and protection, the unit leader should contact the Camp Director

WI-FI AND CELL SERVICE

Cell service is very limited at Camp Lewallen. Cell service is often best at the Council Ring. By the start of the camping season, Wifi access should be available at our dining hall for adult leaders that need it.

Camp Program

Camp Lewallen is proud to offer programs for Scouts of all ages! This guide is just a taste of the programs that will take place this summer. To get all the details, a 2025 Program Guide will be released in February. This Program Guide will feature all of the specifics for all non-merit badge programs that will take place.

AGE RECOMMENDATIONS

Some merit badges have physical or mental demands that are more suited to Scouts of a particular age, maturity, or skill level. In the class catalog, you can view which merit badges may have restrictions on ages and/or ranks. Unit leaders are responsible for ensuring that Scouts meet age, maturity, and skill levels needed for all sessions.

PREREQUISITES AND PARTIAL COMPLETIONS

Some programs have requirements that cannot be completed at camp and should instead be completed before or after camp. Details are available in the class catalog.

Partial completion of a merit badge is not a failure, it is what the name indicates; partial success. Many Scouts will complete only sections of badges with prerequisites or that are very difficult. They then can complete them with another counselor at home or back at camp the following summer. Partials are valid until a Scout turns 18. Be sure to provide the required documentation for Scouts who have completed requirements for merit badges before they come to camp.

Camp Program

MERIT BADGE PROGRAM

Unit Leaders should guide Scouts to set achievable goals. Some subjects require a greater length of time for instruction than others, and this should be taken into account when scheduling them.

Please remember to review this guide and schedule around certain activities that Scouts wish to participate in such as open swimming. Scouts should be able to have some free time at camp to enjoy themselves. There is much more to summer camp than merit badges!

The majority of classes are 1-hour in length and meet Monday - Friday. The merit badge catalog with full descriptions starts on page 19 of this guide. A summarized table can be found at <https://scoutingevent.com/312-86319> under "Attachments."

The merit badge pamphlets for the badges offered will not be available at the Camp Trading Post, however, your Scouts are **STRONGLY** encouraged to buy or borrow pamphlets prior to camp. Scouts should obtain, read, and study the current pamphlet for each merit badge they wish to pursue prior to attending classes.

BLUE CARDS

The Greater St. Louis Area Council utilizes electronic blue cards for completed and partially completed merit badges. Scouts do not need to bring physical blue cards to camp.

PAPERWORK

Before departure on Saturday, each unit will need to pick-up their check-out packet in the Administration Building. These include merit badge advancement reports, health forms, and other paperwork for the entire unit. Leaders with questions about merit badge requirements and completions should speak with our Camp Administration before leaving camp.

SBS81 Beastmaster

Combined Merit Badges - Bird Study & Mammal Study

Birds are among the most fascinating creatures on Earth. Many are beautifully colored. Others are accomplished singers. Many of the most important discoveries about birds and how they live have been made by amateur birders. In pursuing this hobby, a Scout might someday make a valuable contribution to our understanding of the natural world.

A mammal may weigh as little as 1/12 ounce, as do some shrews, or as much as 150 tons, like the blue whale. It may spring, waddle, swim, or even fly. But if it has milk for its young, has hair of some kind, is relatively intelligent, and has warm blood, then it is a mammal.

He believed a young person able to take care of himself while camping would have the confidence to meet life's other challenges, too.
