Merit Badges

AGE RECOMMENDATIONS

Some merit badges have physical or mental demands that are more suited to Scouts of a particular age, maturity, or skill level. In the class catalog, you can view which merit badges may have restrictions on ages and/or ranks. Unit leaders are responsible for ensuring that Scouts meet age, maturity, and skill levels needed for all sessions.

PREREQUISITES AND PARTIAL COMPLETIONS

Some programs have requirements that cannot be completed at camp and should instead be completed before or after camp. Details are available in the class catalog.

Partial completion of a merit badge is not a failure, it is what the name indicates; partial success. Many Scouts will complete only sections of badges with prerequisites or that are very difficult. They then can complete them with another counselor at home or back at camp the following summer. Partials are valid until a Scout turns 18. Be sure to provide the required documentation for Scouts who have completed requirements for merit badges before they come to camp.

MERIT BADGE PROGRAM

Unit Leaders should guide Scouts to set achievable goals. Some subjects require a greater length of time for instruction than others, and this should be taken into account when scheduling them.

Please remember to review this guide and schedule around certain activities that Scouts wish to participate in such as open swimming. Scouts should be able to have some free time at camp to enjoy themselves. There is much more to summer camp than merit badges! **Click here to view the class catalog!**

Camp Program

WAYFINDER PROGRAM

The Wayfinder Program is our summer camp program for Scouts who have recently joined a troop or have just crossed over from Cub Scouts. This program replaced the Pathfinder program of previous years. In Wayfinder, new Scouts are immersed in the Scouting Program and Rhodes France. Scouts will learn the patrol method and basic Scouting skills, and experience some of the many programs available at summer camp. Leaders will receive a printout of what was completed at camp, but the staff do not “sign-off” on the requirements.

WAYFINDER

Scouts may now register for individual rank sessions based on their needs. Sessions are divided into Scout and Tenderfoot, Second Class, and First Class.

Like merit badge registration, you can select the sessions that each scout needs.

Merit badges are not automatically included in the program. Depending on the number of rank sessions in which the scout is enrolled, he or she may register for 3-5 merit badges of their choice. The rank sessions have been scheduled to offer at least one Swimming merit badge session at a non-conflicting time.

Leaders with more than five Scouts in the Wayfinder program are asked to assist by providing adult supervision as they have time available.

APEX OLDER SCOUT PROGRAM

The APEX Program features activities designed for Scouts who are at least 14 years old or in their fourth year of summer camp. Activities will include off-property outings and access to unique programming at camp, including Range & Target Activities.

Unit leaders may need to help provide transportation to off property activities.

A schedule of APEX events will be available prior to camp and will also be available at the Sunday Leader's meeting.
