

Boone Trails Fishing Clinic

9 August 2025

8:00 – 12:00

Busch Wildlife Lakes 2, 15

Come out and join us for the Cub Scout Fishing Clinic. We will have multiple stations for the Cub Scouts to learn more about fishing and conservation.

- Casting
- Make your own Fishing Rig (Craft)
- Knot Tying
- Baiting a Hook with a Minnow
- Conservation, Fish and Wildlife Management
- Water Safety

The scouts will also fulfill some of the requirements for Adventures at this event appropriate for their rank.

Scouts are encouraged to bring a friend that has an interest in joining scouting. If the friend completes a registration form and pays the fees, your scout can earn the **Recruiters** patch that is placed under the right breast pocket of the scout uniform.

You are welcome to stay and continue fishing after the planned event.

If you have a **rod and reel**, you are encouraged to bring one for each youth that will be fishing. There will be a very limited number if any available this year. For adults (ages 15 and older) who will be fishing, a Missouri Fishing License will be required.
