Instructor Training Details

The initial training for the **CHALLENGE COURSES, CLIMBING TOWERS and ROCK CLIMBING AND RAPPELLING** are conducted twice each year. **Challenge and Rock Climbing** initial training includes a Wednesday evening meeting at Beaumont, and a weekend training from early Saturday morning until Sunday evening. Initial **Tower** training is a single day event. To use the challenge course (Beaumont or S bar F) where initial training did not occur, instructors should take the one-day orientation which is offered in spring and fall each year at the other camp (see below).

Benefits of Challenge Course and Rock Climbing/ Rappelling for your Unit

Challenge Courses provide an opportunity for each participant to achieve success as an individual and as a member of a patrol or team. The objectives include building confidence, developing leadership skills, and attaining a sense of common cooperation among team members.

Rock Climbing & Rappelling have become very popular because they provide excitement and a challenge as the participants attempt to master the rock face. Tower climbing provides a similar thrill but can be accomplished any time, since the towers are lit for night climbing.

Age Requirements

Scouts BSA units and Venture Crews are eligible to participate in the Challenge Courses and tower or natural rock face climbing and rappelling.

Cub Scouts are eligible for Tower climbing only (no rappelling).

Adults must be 18 years or older to take Challenge Course, Rock Climbing or Tower training.
