Come out and get some help building your pinewood derby car. This clinic is offered to kids needing a little extra help building their cars. Scouts need to bring their car kit and the design they would like for their car. Design, shaping, and wheel prep can be done, but painting and finishing should be planned to be done at home.

Contact Joel Simansky at 618-210-1148 or [jrsimansky@gmail.com](mailto:jrsimansky@gmail.com) for more information or to let us know you're coming. (Reservations are not required but we would like to know how many people we could have each session. Please do not plan on bringing your entire pack on a single night. We simply cannot support that many people at once.)

IF YOU WOULD LIKE TO HELP (and we are always looking for more helpers to get the Scouts through the clinic) please contact Joel at the above phone number or email.

There is no cost for this event, but please thank Fr. Don Wolford at Holy Angels Parish who has graciously donated the space for this clinic.
