Preparing for Camp

REQUIRED FORMS

Help start your week of camp off smoothly by having the right forms when you arrive. Below is an explanation of the 3 most common types of forms/documentation that Scouts and Adult Leaders need to provide either before or upon arriving at camp.

Scouting America Annual Health & Medical Record

All youth and adults attending camp must have a current Scouting America Annual Health & Medical Record form. Part C of this form requires a visit to a physician, nurse practitioner, or physician's assistant. Please note that school, sport, or any other physical form cannot be substituted for the Scouting America's form. The most current form is found at <https://www.scouting.org/health-and-safety/ahmr/>

Outdoor Programs Parental Release

Each scouts (age 17 and under) must also have a signed Outdoor Programs Parental Release form to ensure that parents are aware of the rigorous nature of activities offered at summer camp. This form will be collected at the camp office as part of the check-in process.

Special Diet Requests

Allergies and special diets are a common concern of our campers. Our food service providers are happy to accommodate any diet for religious, medical, or allergy needs; however, a form must be submitted three weeks prior to arrival. There are certain instances where we can not accommodate a diet. If that is the case, you'll be contacted and may need to bring your own food. The online form can be found at www.stlbsa.org/camps under the resources menu.

A Scout is welcome in any Scout camp, whether or not he or she owns a Scout uniform.

Health & Safety at Camp

CAMP MEDICAL STAFF

S bar F Scout Ranch is staffed 24 hours a day by qualified health personnel. The Ranch medical director holds sick call in the program hall each day (exact times will be announced at the Sunday leader meeting). All injuries and illnesses — no matter how minor — should be reported to your camp office. Persons with serious injuries or illnesses requiring hospitalization are transported to Parkland Health Center in Farmington. If an emergency occurs that requires calling 911, also contact your camp office immediately.

MEDICAL FORMS & HEALTH CHECKS

Every Scout and adult attending camp must — upon arrival — present a completed health record: Parts A, B, and C of the current Annual Health and Medical Record. Part C must be signed by licensed medical personnel (limited to a doctor of medicine, doctor of osteopathy, physician's assistant, or nurse practitioner). The Annual Health and Medical Record requires a yearly medical exam by licensed medical personnel for all Scouts and adults attending camp. As indicated on the form, **please attach a copy of each participant's insurance card to their medical form.**

National policy requires that all youth and adults go through a Health Check upon arrival. This takes will take place during check-in. Medical forms should remain in with the unit until these checks are finished. They are then stored in the camp office for the week.

Adults who will spend fewer than 72 hours in camp are classified as visiting leaders and are not required to have the physician's statement. They must complete Parts A and B of the Annual Health and Medical Record.

Unit Leaders should collect and review all medical forms prior to camp. If the unit leader has any questions concerning a Scout's medical form, they should contact the Scout's parent/guardian. Beware of common errors: missing date of physical, doctor's signature, and tetanus shot date.

MEDICATIONS

Medications **MUST** be kept secure and dispensed by the unit leader. Unit leaders should keep track of when, how much, the type, and by whom the medication was dispensed. When requested, the camp holds medications requiring refrigeration or those that the camper and his leaders feel uncomfortable holding.

Inhalers and Epinephrine Autoinjectors

We recommend that Scouts and leaders who use inhalers, epinephrine autoinjectors, and other emergency medications carry the medications with them at all times.

Health & Safety at Camp

EXPERIENCING SYMPTOMS?

For the safety of everyone in camp, Scouts and adults are not to attend camp if they have had flu-like symptoms in the 3 days prior to their arrival in camp. Flu-like symptoms include fever (100 degrees or higher), cough, sore throat, chills, headache, fatigue, vomiting, and/or diarrhea. Parents and unit leaders are responsible for ensuring that Scouts and adults who are ill do not come to camp.

MEDICAL TRANSPORTATION

Parents of Scouts are responsible for the cost of any treatment that cannot be done in camp. Non-emergency transportation of a Scout or leader to a hospital is the responsibility of the troop leadership. In case of an emergency, transportation is provided by local authorities. Parents of the Scout are responsible for any costs incurred for emergency transportation.

TRANSPORTATION TO CAMP

Each unit is responsible for the safe transportation of its members to and from camp, and to make sure that all vehicles meet national insurance requirements. Transporting Scouts or adults in a trailer or in the bed of a pickup truck — whether it is covered or uncovered — is against Scouting America policy and not allowed under any circumstances. Driving directions, maps, and other useful travel information is available on www.stlbsa.org/camps and later in this guide.

PARKING

Troop vehicles are **not to be parked in the roads or behind Dining Hall** during the week. Units are encouraged to leave a trailer in the campsite in order to store gear, but all vehicles should be moved to designated parking areas as soon as gear has been unloaded. Do not block the roads, as they serve as vital arteries for camp logistics and during emergencies.

All campsites must be cleared of vehicles by breakfast Monday morning unless prior permission has been arranged with the administration staff.

BUDDY SYSTEM

The buddy system is designed to provide an additional layer of safeguarding by ensuring no youth member is alone and that a buddy can get help in an emergency. The buddy system is used whenever youth members are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Read more about the makeup of buddy pairs or triples [here](#).

Health & Safety at Camp

TWO-DEEP LEADERSHIP

Every unit must provide at least two registered leaders over the age of 21 for all Scouting activities, including Summer Camp. Troops participating in the Scouting America combined Troop pilot program and Linked Troops must abide by any specific youth protection policies for these programs during their stay at camp.

NO NON-REGISTERED PARTICIPANTS

Summer Camp is for registered Scouts BSA members and leaders. Scouting America policies do not permit non-registered siblings of any age to attend. **Any adult leader who attends camp MUST be a registered member of the unit they are attending with.**

DRESS CODE

Scouts and leaders are required to wear appropriate clothing and closed-toed shoes while at Camp Famous Eagle.

- Shirts must be worn by all participants when not in the aquatics area (see below for swimwear requirements)
- Shirts must be in good Scouting nature. Shirts other than scouting shirts are allowed, such as t-shirts, long sleeve shirts, sleeveless shirts, and jackets. Sleeveless shirts should not show off the chest area. Shirts should not contain inappropriate language, inappropriate graphics, or promote alcohol, drugs, or violence.
- Pants or shorts other than Scout shorts can be worn, such as athletic/gym shorts, jeans, and cargo shorts. All shorts/pants should be long enough to prohibit exposure of any bottom area.
- Closed-toed shoes are required at all times when not at the aquatics area or at the showerhouse. Open-toed shoes (such as flip flops, crocs, and sandals) may only be worn at the aquatics area or at the showerhouse.

Swimwear should be worn only at the aquatics area. Swimwear should be in accordance with Scouting America's National Aquatics Subcommittee's recommendations, which state:

"Swimsuits should be comfortable, functional and modest. For males, swim trunks or board shorts are appropriate. Modest tankinis or one-piece swimsuits for females. Inappropriate swimwear includes swim briefs or swim bottoms short enough to allow exposure and bikinis."

DAMAGED EQUIPMENT

The cost of any damaged tents, tarps, cots, or other equipment will be billed to the unit. This charge will be for the replacement and/or repair cost of the damaged item.

Arrival & Opening Day

ARRIVING AT CAMP

When you arrive at S-F Scout Ranch, you'll follow the signs to Camp Famous Eagle.

Your Troop may move one trailer to the campsite **beginning at 12:30pm** on Sunday. each Troop is responsible for moving its trailer. **NO OTHER VEHICLES SHOULD BE AT THE CAMPSITE** unless approved by the Camp Director. Please plan on transporting your gear with the provided carts if it is not in the trailer.

Upon arrival, Troops may go directly to their campsite and begin setting up camp. Some tents will already be setup for you, but you may need to set some up with assistance from your Troop Counselor. Keep in mind that there are often multiple units on the same campsite, so be sure to share the tent platforms that are on each site. It is a best practice to discuss this with other Troops before arrival at camp.

Troop Counselors will arrive on your campsite at **12:30pm** to begin guiding your Troop through the check-in process, including Health Checks, swim tests, and dining hall orientation.

A Unit Leader MUST check-in at the camp office between 1:00pm and 3:00pm. This is to make sure the camp has an accurate list of attendees and all fees are settled.

Pre-camp swim checks are strongly encouraged!

Guidance for completing these tests prior to camp can be found at <https://www.scouting.org/wp-content/uploads/2022/03/Swim-Classification-record-430-122.pdf>. Camp Aquatics Directors reserve the right to re-test anyone if they feel their swimming ability is in question.

Life at Camp

YOUR HOME AWAY FROM HOME

While at Camp Famous Eagle, Scouts will stay in one of 13 campsites. Each campsite features roughly 12 canvas tent platforms and room for additional tents on wooden floorboards. Additional tents may need to be setup upon arrival. Each tent has 2 military style cots. Units can bring their own tents, or use those provided by the camp. **Hammocks can be used at camp, however, they may not be stacked and must be used following the Scouting America guidelines.**

Campsites all have potable water and latrines on site with ambient-temperature water showers attached. Sites are also equipped with picnic tables and canvas dining flies along with multiple fire rings.

Campsites are often shared by 2 Troops. **Please keep that in mind when setting up camp if you arrive before the other Troop. A Scout is courteous.**

SHOWER FACILITIES

Camp Famous Eagle has three main shower facilities located throughout camp. Each of these are shared by all campsites. The Backer Shower House has private showers and restrooms. The Showerhouse near Thayer campsite is a rustic showerhouse without the modern amenities. The Adult Leader Showers are located near the dining hall and are available to all leaders 18 and older. Cleaning responsibilities are also shared between the campsites for each shower facility. These cleaning schedules will be distributed at the Sunday Leader Meeting.

MAIL SERVICE

Scouts love getting mail at camp! Mail takes several days to arrive, so you may wish to send mail prior to your Scout's departure for camp. Please DO NOT send mail after Wednesday of your Scout's week of camp. to ensure proper delivery, please use the complete address below:

Scout's Name & Troop Number

General Camp Information

DINING HALL & MEALS

Approximately 10 minutes before flag raising and flag lowering each day, units will line up in formation on the parade field outside of the dining hall. For lunches, units will line up on the parade field and wait to be invited in by staff.

Meals are served family-style at Camp Famous Eagle.

During your camp tour, your unit will learn about their Table Crew duties. These will include setting the table for each meal, getting food and drinks, and cleaning up after each meal. These are the steps necessary to help ensure a smooth dining experience at each meal.

TRADING POST

We have excellent camp stores in all of our camps! Each Trading Post is stocked with an assortment of patches, cups, Scouting supplies, camp t-shirts, toiletries, snacks, and more! There is no specific amount of money a Scout should bring to camp, but on the average Scouts spend around \$50. Stores are open during program hours and in the evenings. Cash, credit cards, and tap-to-pay options are accepted.

CAMP T-SHIRT PRE-ORDERS

Units are **STRONGLY** encouraged to pre-order camp t-shirts. This will ensure Scouts and leaders get the size and quantity they need. You can pre-order shirts from www.gatewaytraders.org. The supply at camp will be limited.

COMING & GOING

The safety and security of every Scout is of paramount concern to all leaders and Staff. To enhance our security efforts, we require parents, leaders, and Scouts to sign in and sign out at the Camp Office when entering or leaving camp during the week. Scouts who are leaving camp before their unit will need to check out at the Camp Office with our staff while being accompanied by an adult from the unit to authorize the departure. If there are concerns of an individual Scout's well-being and protection, the unit leader should contact the Camp Director

WI-FI AND CELL SERVICE

Camp Famous Eagle offers fast and reliable Wi-Fi for participants at the Dining Hall. Most cellular providers receive coverage throughout Camp Famous Eagle due to the cell tower on the S bar F property.

Camp Program

Camp Famous Eagle is proud to offer programs for Scouts of all ages! This guide is just a taste of the programs that will take place this summer. To get all the details, a 2026 Program Guide will be released in February. This Program Guide will feature all of the specifics for all non-merit badge programs that will take place.

AGE RECOMMENDATIONS

Some merit badges have physical or mental demands that are more suited to Scouts of a particular age, maturity, or skill level. In the class catalog, you can view which merit badges may have restrictions on ages and/or ranks. Unit leaders are responsible for ensuring that Scouts meet age, maturity, and skill levels needed for all sessions.

PREREQUISITES AND PARTIAL COMPLETIONS

Some programs have requirements that cannot be completed at camp and should instead be completed before or after camp. Details are available in the class catalog.

Partial completion of a merit badge is not a failure, it is what the name indicates; partial success. Many Scouts will complete only sections of badges with prerequisites or that are very difficult. They then can complete them with another counselor at home or back at camp the following summer. Partials are valid until a Scout turns 18. Be sure to provide the required documentation for Scouts who have completed requirements for merit badges before they come to camp.

Camp Program

MERIT BADGE PROGRAM

Unit Leaders should guide Scouts to set achievable goals. Some subjects require a greater length of time for instruction than others, and this should be taken into account when scheduling them.

Please remember to review this guide and schedule around certain activities that Scouts wish to participate in such as open swimming. Scouts should be able to have some free time at camp to enjoy themselves. There is much more to summer camp than merit badges!

Most classes are 1-hour in length and meet Monday - Thursday. The merit badge catalog with full descriptions starts on page 18 of this guide. A summarized table can be found at <https://scoutingevent.com/312-101413> under "Attachments."

The merit badge pamphlets for the badges offered will not be available at the Camp Trading Post, however, your Scouts are **STRONGLY** encouraged to read the pamphlets before camp. All merit badge pamphlets are now available online on the [Scouting America website](https://www.scouting.org).

MERIT BADGE MAKEUP

There may be times during your stay at camp when a Scout needs to miss a merit badge class for another activity. While we encourage you to work with your Scouts to minimize this when planning their schedules, we offer Merit Badge Makeup sessions on Friday for all classes.

BLUE CARDS

The Greater St. Louis Area Council utilizes electronic blue cards for completed and partially completed merit badges. Scouts do not need to bring physical blue cards to camp. **We DO NOT offer printed blue cards at the end of camp!**

PAPERWORK

Before departure on Saturday, each unit will need to pick-up their check-out packet in the Program Hall. These include merit badge advancement reports, health forms, and other paperwork for the entire unit. Leaders with questions about merit badge requirements and completions should speak with our Camp Administration before leaving camp. **We DO NOT offer printed blue cards at the end of camp!**

Basketry is a handy skill for a Scout. WAYFINDER PROGRAM

The Wayfinder Program is our summer camp program for Scouts who have recently joined a troop or have just crossed over from Cub Scouts.

In Wayfinder, new Scouts are immersed in the Scouting Program and the S bar F Scout Ranch. Scouts will learn the patrol method and basic Scouting skills, and experience some of the many programs available at summer camp. Leaders will receive a printout of what was completed at camp, but the staff do not “sign-off” on the requirements.

Scouts may now register for individual rank sessions based on their needs. Sessions are divided into Scout and Tenderfoot, Second Class, and First Class.

Like merit badge registration, you can select the sessions that each scout needs.

Merit badges are not automatically included in the program. Depending on the number of rank sessions in which the scout is enrolled, he or she may register for 3-5 merit badges of their choice. The rank sessions have been scheduled to offer at least one Swimming merit badge session at a non-conflicting time.

Leaders with more than four Scouts in the Wayfinder program are asked to provide adult supervision during the session.

APEX OLDER SCOUT PROGRAM

The APEX Program features activities designed for Scouts who are at least 14 years old or in their fourth year of camp. In APEX, Scouts will spend the majority of their afternoon participating in various activities around the Ranch. The APEX Program will take Scouts to different portions of S bar F, including areas requiring transportation. Unit leaders may need to provide transportation if the shuttle bus is not available. Scouts will meet at 7:15pm Sunday with the APEX staff to review the week's activities. For 2026, Apex Older Scout program will only be occurring in the afternoon so scouts should still sign up for morning merit badges.
