## WELCOME TO RHODES FRANCE SCOUT RESERVATION

Dear Scouter,

Welcome to Rhodes France Scout Reservation! We're excited to have you and your Scouts join us for Summer Camp 2026 with Greater St. Louis Area Scouting. Rhodes France offers a wide range of programs and merit badges to explore—this guide will help you prepare for a great week at camp. Be sure to read it in its entirety because some things have changed.

Our Camp Administration is gearing up for your arrival, and we'll host a virtual leader meeting in March to share updates and answer questions. We encourage all units to attend.

If you have registration questions, our Council support team is ready to assist.

We look forward to seeing you at camp this summer!

Yours in Scouting,

Matt Kaufman | Camping Director

# Registering for Camp

## OVERVIEW

There are four main steps to summer camp registration. First, the Unit Deposit (\$100, non-refundable) and estimated attendance. This secures the unit's reservation and lists a campsite preference. Second, confirming your numbers and assigning names to reserved camper spots. Third, per Scout payments of \$150. Once Scouts have paid at least \$150, they can sign up for merit badges and other sessions. Finally, your unit's remaining balance is paid.

### UNIT DEPOSIT PHASE

### DUE WITH RESERVATION

**\$100**

- Required to reserve your week of camp and make a campsite preference selection.
- Enter estimated youth and adult attendance numbers (please be conservative, you can add more later).
- Is non-refundable.

### CONFIRM NUMBERS

### BEGINS JANUARY 5TH

- Confirm the number of spots you have reserved.
- Begin assigning names to each of the reserved youth and adult spots.
- Set-up the Parent Portal to allow individual families to manage their reservation and make payments.
- Send out Parent Portal credentials to individual families.

### PER SCOUT PAYMENTS

### BEGINS JANUARY 5TH

**\$150/SCOUT**

- This can be managed by the unit or by utilizing the Parent Portal.
- Once a Scout has paid at least \$150, they can select their merit badges and sign up for additional programs.
- Remember, to receive the early bird rate - a Scout must be paid in full by April 15, 2026.

### UNIT BALANCE DUE

### PRIOR TO ARRIVAL

- Units can check and pay their balance in the Black Pug registration system at any time.
- The final balance, including any class fees, should be paid in full **BEFORE** your arrival at camp.

**\*\*Parents should not register on their own - they should only register with the Troop to avoid confusion!**

## PATROL-COOKING OPTION

Units attending Rhodes France have the option to provide their own food and cook in their campsite for the week. If they do so, there is a discounted fee for both youth and adults.

## DISCOUNTS

Scouts attending any week-long Scouts BSA Summer Camp are eligible for the following discounts:

### Multiple Week Discount

\$100 off a second week of a qualifying camp (Scouts BSA Summer Camp, S-F Ranger Program, 2026 Horse Camp, 2026 STEM & Skilled Trades Camp).

### Family Discount

\$100 off each additional Scout attending the same type of camp from the same household.

### Discount Notes

Multiple Week and Family discounts will be automatically applied within the registration system. For Multiple Week discounts, the system will qualify the discount based on two (or more) registrations having a Scout with the same first name, last name, and unit number. For the Family discount, the system will qualify the discount based on two (or more) Scouts having the same street address. For each discount, one Scout/session will need to be paid in full before the discount can be automatically applied to the other Scout(s)/Session(s). Discounts are not eligible for NYLT. **Discounts cannot be combined, including with camperships.**

## CAMPERSHIPS

Every youth deserves the opportunity to experience summer camp. Camperships may cover up to 50% of the full camp fee. To apply for a campership, submit an application via our online form available in the resources menu at <https://stlbsa.org/camps> by May 15, 2026; camperships will be available until funds are depleted.

Camperships are limited to one per qualifying Scout and are only available to Scouts registered as a member of the Greater St. Louis Area Council attending an in-Council camp.

## REFUNDS/CANCELLATIONS

Any youth spots that have not paid at least \$150 by April 15th will be removed from the unit's camp reservation.

### Refund Policy:

1. All refund requests must be submitted via the refund request form thirty (30) days prior to attending camp.
2. No refunds will be granted without thirty (30) days' notice unless one of the extenuating circumstances listed below is met.
3. Refund requests will NOT be accepted at camp. All requests must be sent using the online form.
4. All refunds will be issued back to the payee via the original method of payment. The unit is responsible to distribute the refund if payment was made by the unit.
5. Absolutely no refunds will be granted for No Shows.
6. All refunds will be less a 10% processing fee. Any refunds granted after May 31st will only be eligible for 75% of the total camp fee.
7. All refund requests must be completed by August 31st. No refunds will be approved after this date, regardless of circumstance.
8. Completing the Refund Request Form does not guarantee the refund will be received. The person submitting the request will receive notification if the request is denied.

The only circumstances under which a refund will be considered less than thirty (30) days prior to arrival are:

1. An injury/illness that prevents attendance at summer camp. A signed doctor's note must accompany this request.
2. The death of an immediate family member (parent/guardian, sibling, grandparent).
3. Family relocation makes attending camp impractical.
4. Mandatory summer school attendance/work schedule change. A signed note from the school/employer must accompany this request.

The refund request form can be found at [www.stlbsa.org/camps](http://www.stlbsa.org/camps) under the resources menu.

## REQUIRED FORMS

Help start your week of camp off smoothly by having the right forms when you arrive. Below is an explanation of the 3 most common types of forms/documentation that Scouts and Adult Leaders need to provide either before or upon arriving at camp.

### **Scouting America Annual Health & Medical Record**

All youth and adults attending camp must have a current Scouting America Annual Health & Medical Record form. Part C of this form requires a visit to a physician, nurse practitioner, or physician's assistant. Please note that school, sport, or any other physical form cannot be substituted for Scouting's form. The most current form is found at <https://www.scouting.org/health-and-safety/ahmr/>

### **Outdoor Programs Parental Release**

Each scouts (age 17 and under) must also have a signed Outdoor Programs Parental Release form to ensure that parents are aware of the rigorous nature of activities offered at summer camp. This form will be collected at the camp office as part of the check-in process.

### **Special Diet Requests**

Allergies and special diets are a common concern of our campers. Our food service providers are happy to accommodate any diet for religious, medical, or allergy needs; however, a form must be submitted three weeks prior to arrival. There are certain instances where we can not accommodate a diet. If that is the case, you'll be contacted and may need to bring your own food. The online form can be found at [www.stlbsa.org/camps](http://www.stlbsa.org/camps) under the resources menu.

# Health & Safety at Camp

## CAMP MEDICAL STAFF

Rhodes France is staffed 24 hours a day by qualified health personnel. The camp medical director office hours will be posted. All injuries and illnesses — no matter how minor — should be reported to the health office. Persons with serious injuries or illnesses requiring hospitalization are transported by unit leadership to Pana Community Hospital in Pana. If an emergency occurs that requires calling 911, also contact your camp office immediately.

## MEDICAL FORMS & HEALTH CHECKS

Every Scout and adult attending camp must — upon arrival — present a completed health record: Parts A, B, and C of the current Annual Health and Medical Record. Part C must be signed by licensed medical personnel (limited to a doctor of medicine, doctor of osteopathy, physician's assistant, or nurse practitioner). The Annual Health and Medical Record requires a yearly medical exam by licensed medical personnel for all Scouts and adults attending camp. As indicated on the form, **please attach a copy of each participant's insurance card to their medical form.**

National policy requires that all youth and adults go through a Health Check upon arrival. This takes will take place during check-in. Medical forms should remain in with the unit until these checks are finished. They are then stored in the camp office for the week.

Adults who will spend fewer than 72 hours in camp are classified as visiting leaders and are not required to have the physician's statement. They must complete Parts A and B of the Annual Health and Medical Record.

**Unit Leaders should collect and review all medical forms prior to camp.** If the unit leader has any questions concerning a Scout's medical form, they should contact the Scout's parent/guardian. Beware of common errors: missing date of physical, doctor's signature, and tetanus shot date.

## MEDICATIONS

Medications **MUST** be kept secure and dispensed by the unit leader. Unit leaders should keep track of when, how much, the type, and by whom the medication was dispensed. When requested, the camp holds medications requiring refrigeration or those that the camper and his leaders feel uncomfortable holding.

### *Inhalers and Epinephrine Autoinjectors*

We recommend that Scouts and leaders who use inhalers, epinephrine autoinjectors, and other emergency medications carry the medications with them at all times.

# Health & Safety at Camp

## EXPERIENCING SYMPTOMS?

For the safety of everyone in camp, Scouts and adults are not to attend camp if they have had flu-like symptoms in the 3 days prior to their arrival in camp. Flu-like symptoms include fever (100 degrees or higher), cough, sore throat, chills, headache, fatigue, vomiting, and/or diarrhea. Parents and unit leaders are responsible for ensuring that Scouts and adults who are ill do not come to camp.

## MEDICAL TRANSPORTATION

Parents of Scouts are responsible for the cost of any treatment that cannot be done in camp. Non-emergency transportation of a Scout or leader to a hospital is the responsibility of the troop leadership. In case of an emergency, transportation is provided by local authorities. Parents of the Scout are responsible for any costs incurred for emergency transportation.

## TRANSPORTATION TO CAMP

Each unit is responsible for the safe transportation of its members to and from camp, and to make sure that all vehicles meet national insurance requirements. Transporting Scouts or adults in a trailer or in the bed of a pickup truck — whether it is covered or uncovered — is against Scouting America policy and not allowed under any circumstances. Driving directions, maps, and other useful travel information is available on [www.stlbsa.org/camps](http://www.stlbsa.org/camps) and later in this guide.

## PARKING

Troop vehicles are not to be parked in the roads during the week. Units are encouraged to leave a trailer in the campsite in order to store gear, but all vehicles should be moved to designated parking areas as soon as gear has been unloaded. Do not block the roads, as they serve as vital arteries for camp logistics and during emergencies.

All campsites must be cleared of vehicles by 8:00pm Sunday evening unless prior permission has been arranged with the administration staff.

## BUDDY SYSTEM

The buddy system is designed to provide an additional layer of safeguarding by ensuring no youth member is alone and that a buddy can get help in an emergency. The buddy system is used whenever youth members are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Read more about the makeup of buddy pairs or triples [here](#).

# Health & Safety at Camp

## TWO-DEEP LEADERSHIP

Every unit must provide at least two registered leaders over the age of 21 for all Scouting activities, including Summer Camp. Troops participating in the Scouting America combined Troop pilot program and Linked Troops must abide by any specific youth protection policies for these programs during their stay at camp.

## NO NON-REGISTERED PARTICIPANTS

Summer Camp is for registered Scouts BSA members and leaders. Scouting America policies do not permit non-registered siblings of any age to attend. **Any adult leader who attends camp MUST be a registered member of the unit they are attending with.**

## DRESS CODE

Scouts and leaders are required to wear appropriate clothing and closed-toed shoes while at Rhodes France Scout Reservation.

- Shirts must be worn by all participants when not in the aquatics areas (see below for swimwear requirements)
- Shirts must be in good Scouting nature. Shirts other than scouting shirts are allowed, such as t-shirts, long sleeve shirts, sleeveless shirts, and jackets. Sleeveless shirts should not show off the chest area. Shirts should not contain inappropriate language, inappropriate graphics, or promote alcohol, drugs, or violence.
- Pants or shorts other than Scout shorts can be worn, such as athletic/gym shorts, jeans, and cargo shorts. All shorts/pants should be long enough to prohibit exposure of any bottom area.
- Closed-toed shoes are required at all times when not at the aquatics areas or at the showerhouse. Open-toed shoes (such as flip flops, crocs, and sandals) may only be worn at the aquatics areas or at the showerhouse.

Swimwear should be worn only at the aquatics area. Swimwear should be in accordance with Scouting America's National Aquatics Subcommittee's recommendations, which state:

"Swimsuits should be comfortable, functional and modest. For males, swim trunks or board shorts are appropriate. Modest tankinis or one-piece swimsuits for females. Inappropriate swimwear includes swim briefs or swim bottoms short enough to allow exposure and bikinis."

## DAMAGED EQUIPMENT

The cost of any damaged camp equipment will be billed to the unit. This charge will be for the replacement and/or repair cost of the damaged item.

# Arrival & Opening Day

## ARRIVING AT CAMP

You can easily follow the signs from US Route 51 to Rhodes France Scout Reservation.

Your Troop may move one trailer to the campsite beginning at **1:00pm** on Sunday. each Troop is responsible for moving its trailer. **NO OTHER VEHICLES SHOULD BE AT THE CAMPSITE** unless approved by the Camp Director. Please plan on transporting your gear with the provided carts if it is not in the trailer.

Keep in mind that there are often multiple units on the same campsite, so be sure to share the tent platforms that are on each site. It is a best practice to discuss this with other Troops before arrival at camp.

Assigned check-in times will be sent out 1 month prior to arrival at camp. These will be between 1:00pm - 3:00pm.

Troops should report to the Registration Building at their designated time where their Site counselor will guide them through the check-in process.

Swim checks will be scheduled with leaders as they check-in.

### **Pre-camp swim checks are strongly encouraged!**

Guidance for completing these tests prior to camp can be found at <https://filestore.scouting.org/filestore/Outdoor%20Program/Aquatics/pdf/430-122.pdf>.

# Life at Camp

## YOUR HOME AWAY FROM HOME

While at Rhodes France, Scouts will stay in one of 13 campsites. Most campsites have a pavilion in the site.

Campsites all have potable water and latrines on site. Sites are also equipped with picnic tables and a fire ring.

Units must provide their own tents and cots at Rhodes France. Hammocks can be used at camp, however, they may not be stacked and must be used following Scouting America guidelines.

**Campsites are sometimes shared by 2 Troops. Please keep that in mind when setting up camp if you arrive before the other Troop. A Scout is courteous.**

## SHOWER FACILITIES

The showerhouse at Rhodes France Scout Reservation features individual private showers with changing areas. Cleaning responsibilities are also shared between the campsites for each shower facility.

## RELIGIOUS OBSERVANCE

Rhodes France employs a full-time camp chaplain that is available to visit with Scouts and leaders. A religious service will be held at the camp chapel on Sunday evening.

## MAIL SERVICE

Scouts love getting mail at camp! Mail takes several days to arrive, so you may wish to send mail prior to your Scout's departure for camp. Please DO NOT send mail after Wednesday of your Scout's week of camp. to ensure proper delivery, please use the complete address below:

Scout's Name & Troop Number

# General Camp Information

## DINING HALL & MEALS

Approximately 10 minutes before each meal, units will line up in formation on the parade field in front of the Flag Poles.

Meals are served cafeteria-style in the air-conditioned dining hall at Rhodes France Scout Reservation. We will operate meal shifts during the week. Your unit will be assigned either “A” or “B” meals.

During your dining hall orientation, your unit will learn about their Table Crew duties. These will include cleaning up after each meal. These are the steps necessary to help ensure a smooth dining experience at each meal.

## TRADING POST

We have excellent camp stores in all of our camps! Each Trading Post is stocked with an assortment of patches, cups, Scouting supplies, camp t-shirts, toiletries, snacks, and more! There is no specific amount of money a Scout should bring to camp, but on the average Scouts spend around \$50. Stores are open during program hours and in the evenings. Cash, credit cards, and tap-to-pay options are accepted.

## CAMP T-SHIRT PRE-ORDERS

Units are **STRONGLY** encouraged to pre-order camp t-shirts. This will ensure Scouts and leaders get the size and quantity they need. You can pre-order shirts from [www.gatewaytraders.org](http://www.gatewaytraders.org). The supply at camp will be limited.

## COMING & GOING

The safety and security of every Scout is of paramount concern to all leaders and Staff. To enhance our security efforts, we require parents, leaders, and Scouts to sign in and sign out at the Camp Office when entering or leaving camp during the week. Scouts who are leaving camp before their unit will need to check out at the Camp Office with our staff while being accompanied by an adult from the unit to authorize the departure. If there are concerns of an individual Scout’s well-being and protection, the unit leader should contact the Camp Director

## WI-FI AND CELL SERVICE

Rhodes France Scout Reservation has limited Wi-Fi for attendees. Work with the Camp Administration for access. Cell phone service is limited, but attainable at Rhodes France.

# Camp Program

Rhodes France Scout Reservation is proud to offer programs for Scouts of all ages! This guide is just a taste of the programs that will take place this summer. To get all the details, a 2026 Program Guide will be released in February. This Program Guide will feature all of the specifics for all non-merit badge programs that will take place.

## AGE RECOMMENDATIONS

Some merit badges have physical or mental demands that are more suited to Scouts of a particular age, maturity, or skill level. In the class catalog, you can view which merit badges may have restrictions on ages and/or ranks. Unit leaders are responsible for ensuring that Scouts meet age, maturity, and skill levels needed for all sessions.

## PREREQUISITES AND PARTIAL COMPLETIONS

Some programs have requirements that cannot be completed at camp and should instead be completed before or after camp. Details are available in the class catalog.

Partial completion of a merit badge is not a failure, it is what the name indicates; partial success. Many Scouts will complete only sections of badges with prerequisites or that are very difficult. They then can complete them with another counselor at home or back at camp the following summer. Partials are valid until a Scout turns 18. Be sure to provide the required documentation for Scouts who have completed requirements for merit badges before they come to camp.

# Camp Program

## MERIT BADGE PROGRAM

Unit Leaders should guide Scouts to set achievable goals. Some subjects require a greater length of time for instruction than others, and this should be taken into account when scheduling them.

**Please remember to review this guide and schedule around certain activities**

**that Scouts wish to participate in such as open swimming.** Scouts should be able to have some free time at camp to enjoy themselves. There is much more to summer camp than merit badges!

The majority of classes are 1-hour in length and meet Monday - Friday. The merit badge catalog with full descriptions starts on page 19 of this guide. A summarized table can be found at <https://scoutingevent.com/312-2025RhodesFrance> under "Attachments."

The merit badge pamphlets for the badges offered will not be available at the Camp Trading Post, however, your Scouts are **STRONGLY** encouraged to read the pamphlets before camp. All merit badge pamphlets are now available online on the [Scouting America website](https://www.scouting.org).

## BLUE CARDS

The Greater St. Louis Area Council utilizes electronic blue cards for completed and partially completed merit badges. Scouts do not need to bring physical blue cards to camp.

## PAPERWORK

Before departure on Saturday, each unit will need to pick-up their check-out packet in the Administration Building. These include merit badge advancement reports, health forms, and other paperwork for the entire unit. Leaders with questions about merit badge requirements and completions should speak with our Camp Administration before leaving camp. **We DO NOT offer printed blue cards at the end of camp!**

#### SBS47 Basketry

Basketry is a handy skill for a Scout. A basket can be a sturdy companion on campouts, carrying clothes snugly and efficiently, holding potatoes and corn for roasting over a campfire, or carrying the day's fishing catch back to camp for dinner. The Wayfinder Program is our summer camp program for Scouts who have recently joined a troop or have just crossed over from Cub Scouts.

In Wayfinder, new Scouts are immersed in the Scouting Program and Rhodes France. Scouts may now register for individual rank sessions based on their needs. Sessions are divided into Scout and Tenderfoot, Second Class, and First Class.

Like merit badge registration, you can select the sessions that each scout needs.

Merit badges are not automatically included in the program. Depending on the number of rank sessions in which the scout is enrolled, he or she may register for 3-5 merit badges of their choice. The rank sessions have been scheduled to offer at least one Swimming merit badge session at a non-conflicting time.

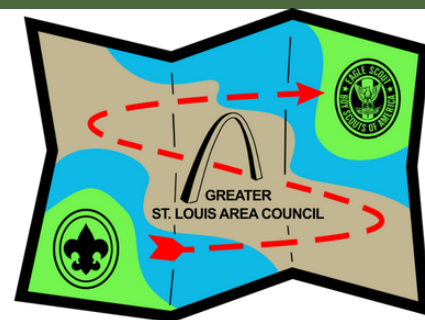

Leaders with more than five Scouts in the Wayfinder program are asked to assist by providing adult supervision as they have time available.
