

Family Camp Key Information

Check in/out

- The program is set up for Cub Scouts and Cub Scout aged siblings.
- We do not collect health forms. We ask that participants have them in the event that they are needed.
- Please confirm who is here/not here upon arrival at camp.
- We do not require any check out procedures.

Aquatics:

- The BSA Swimmers test is available for everyone, all during program time when the waterfront is open.
- The two front swimming areas (leaners and beginners) are open during program time to everyone.
- We practice the buddy system: your shoes are your “buddy tags.”
- Huck’s Cove rules: adults and youth who have passed the BSA swimmers test may do every activity. If not a swimmer, campers must wear a PFD at all times, and are not allowed to use the zip line, carousal, or rope swing.
- To take out a canoe on the lake, there must be one person in the canoe who has passed the BSA swimmers test; the second (and third) can be non swimmers.
- Everyone wears PFDs in boats, always.

Dining Hall

- The dining hall is set up “family style,” so everyone will be sitting with some people they know, and some they do not. We do fill the tables, because the food is prepared to go out to tables of 10 people.
- If you have trouble finding seats enough for your whole family, please find a staff member to assist you.
- There will be a salad bar available at dinner, and an oatmeal and yogurt bar available at breakfast.
