

Osage District Fall Camporee 2026

Theme: Around the World

Friday, October 23rd – Sunday, October 25th

Roy Bail Park
101 Park Dr.
New Haven, MO 63068

Map Page

A Map of the Camporee grounds will be provided upon check-in. Water and restrooms will be marked on the Map.

General Information

Camporee will cost \$10 per participant. Every paid participant will get a wristband to wear for the entirety of the camporee. This a public community area so wearing the wristbands ensure no one is in our camp that isn't supposed to be.

Each troop is responsible for maintaining Health Forms for each participant in their Troop. The forms should be accessible if needed by the Camporee staff or District personnel. Troops must have first aid kits for basic first aid needs. In case of emergency, the site is accessible for EMS.

There are 3 spots where potable water is available. There is one spigot at each pavilion. These water spigots will be marked on the map.

Porta-potties will be available for scouts to use for the restroom. Leader restrooms will be located near the flags and parade field. The restrooms will be marked on the map.

There will be a dumpster provided for trash. Each Troop is responsible for getting their trash into the dumpster. The dumpster will be marked on the map.

No ground fires are allowed. Troops may use raised pits or burn barrels that they bring. Standard Camporee equipment should be brought by participants. Troops are responsible for cooking each meal at their campsite. Additionally, Troops will be asked to cook one dessert from a country of their choice to be judged by Troop 439 Leaders.

Additionally, please bring 2-3 compasses per patrol for one of the activities.

As always, Scouts should follow the Scout Oath, Law, Slogan, Motto and Outdoor Code as we are visitors to this park. Always use the buddy system when moving around the park. Please report any issues to Troop 439.

Program/Activities

The Osage District Fall Camporee 2026: Around the World invites Scouts to experience the cultures, traditions, and challenges of nations from every corner of the world—all without leaving camp. Patrols will travel from “country” to “country” filling out their Passports throughout the day. At some “countries”, participation only points are awarded. When visiting other “countries”, you will compete for points. Please be sure to get your passport stamped at each location in order to have your points counted at the end of the day. Passports are due to Troop 439’s SPL, Zachary, at 4:45pm.

The morning is filled with presentations from people from around the world. Each presentation is 30 minutes long, with a 10 minute moving period between speakers. Please remind your patrols to provide each presenter with respect and to follow the Scout Law.

All presenters will be located at or near the pavilion. Please look for signs to determine where your Troop is supposed to be. Presenter times are scheduled. Please stick to the schedule provided. Each Troop will have a chance to visit each presenter.

United States: Native American Heritage

Participate in an educational presentation by Joe Pinter highlighting Native American history, traditions, and cultural contributions. Scouts will learn about indigenous customs, storytelling, craftsmanship, and the importance of preserving Native American heritage.

Greece

Christos Tsiaklides will take us on a journey to Greece as she shares her personal experiences and insights into life in her home country. She will discuss Greek culture, traditions, and what everyday life is like in Greece, while also sharing her experiences as a Greek citizen. Additionally, she will discuss the differences and similarities she has experienced between the US and Greece.

Croatia

Sasha Josipovic will introduce Scouts to the fascinating country of Croatia, sharing her personal knowledge and experiences of this beautiful European nation. She will discuss Croatian culture, traditions, history, and everyday life, giving Scouts a glimpse into what it is like to live in Croatia. Through stories and personal insights, Scouts will learn about the people, customs, food, and unique characteristics that make Croatia special.

Phillipines

Ria Haag will share her experiences and memories of life in the Philippines, giving Scouts a personal introduction to this diverse Southeast Asian country. Scouts will have the chance to hear firsthand stories about the country and discover how Filipino culture compares with life in the United States. Her presentation will help Scouts see the world from a different perspective and appreciate the rich diversity of cultures around the globe.

New Zealand

Hank Lina will share his personal experiences growing up and living in New Zealand, providing Scouts with an opportunity to learn about the country, its culture, and everyday life from someone who has experienced it firsthand. He will also provide Scouts a unique perspective on culture, citizenship, and the connections between Scouting communities around the world.

Iceland: Runic Orienteering

Test your navigation skills as your patrol follows an orienteering course using clues inspired by ancient Viking runes. At each checkpoint, Scouts will answer trivia questions about Iceland or Scouting before continuing to the next station. Patrols earn points based on completing the course, correctly solving the rune clues, and answering trivia questions.

Norway: Axe Throwing

Experience a classic Scandinavian-inspired outdoor skill by learning proper axe throwing techniques. Scouts will focus on safety, accuracy, and consistency while attempting to hit the target.

New Zealand: Maori Masks

Explore the rich artistic traditions of New Zealand by designing a Māori-inspired mask. Patrols will learn about the symbolism found in traditional Māori art before creating their own unique designs using paint and markers.

Egypt: Bocce Ball

Try your hand at one of the world's oldest ball games. Each patrol will compete in three rounds of bocce, attempting to place their balls as close as possible to the target. Patrol scores will be determined by averaging the distances from all three rounds.

Around the World Dessert Challenge (Country of Choice)

Each troop will select a country (other than the United States) and prepare a dessert that represents its culture. Desserts must be assembled and completed on-site before being presented to the judges at 5:30. Troops should be prepared to explain the dessert's country of origin.

Desserts will be judged on:

- Taste
- Authenticity and cultural explanation
- Difficulty of preparation
- Country uniqueness
