

Health Screening for Fall Fun Rally 2020

For the health and safety of all in attendance at the event, please take a moment to screen yourself before attending the event.

1. Have you been in close contact, with anyone who has been diagnosed COVID-19, in the last 14 days? Close contact includes anyone you have been within 6 feet of for more than 10 minutes, or anyone in your household.
2. Have you been presumptively diagnosed with Covid-19 and told to isolate, or are pending a test result for Covid-19?
3. Today, or in the past 24 hours, have you had one of these symptoms?
 - a. Fever greater than 100.4°. Temperature checks will be performed at the site.
 - b. New or worsening cough
 - c. New Loss of Taste or Smell
 - d. Shortness of breath or difficulty breathing
 - e. Influenza like symptoms
 - f. Vomiting or Diarrhea
 - g. New loss of smell, taste, or both
 - h. Unexplained fatigue or muscle aches
 - i. Sore throat that is different than your seasonal allergies
 - j. Persistent unexplained headache

If you answer yes to any of the above questions, for the safety of all participants and staff, we ask that you remain at home and not come to the event.
