Workbook: <http://usscouts.org/mb/worksheets/citizenship-in-the-world.pdf>

Prerequisites:

3A- Pick a current world event. How does it affect security, economy, value, and health?

3B- Select a foreign country. How is its geography, natural resources, and climate influence its economy and its global partnership with other countries.

4B- Observe a current issue that involves international trade, foreign exchange, balance of payments, tariffs, and free trade

7(do two)

7a: Visit the website of the U.S. State Department. Learn about an issue you find interesting that is discussed on this website. (<https://www.state.gov/>)

7b: Visit the website of an international news organization or foreign government. Find a story about a human right realized in the United States that is not recognized in another country. (<https://www.cnbc.com/international-organizations/>)

7c: Visit with a student or Scout from another country. Discuss the typical values, holidays, ethnic foods and traditions practiced or enjoyed there

7d: Attend a world Scout jamboree

7e: Participate in or attend an international event in your area, such as an ethnic festival, concert, or play
