

Directions to Cub Scout Camporee

The Cub Scout camporee is held at Lubrecht Experimental Forest – but not the main basecamp area. Driving from Bonner, once you pass the Lubrecht sign, take the first left off of the highway onto Nelson Rd.

This turn is at 46.923334, -113.439799. You can copy and past those coordinates straight into Google Maps, but they must stay in decimal format

There will be signs or flags indicating the correct direction to go. You will pass through 3 gates. Leave all gates how you found them.
