

Are you going on a high adventure trip this summer?

Did you know that the high adventure bases require at least one crew member to be Wilderness First Aid certified?

It is recommended that multiple crew members are certified!

OVERLAND TRAILS COUNCIL

Presents

WILDERNESS AND REMOTE FIRST AID

Train for Emergencies in Wilderness and Remote Environments

Ideal for scouts and leaders, our 16-hour Wilderness and Remote First Aid course gives you the skills and confidence you need to respond to an emergency when help may be delayed. The course meets BSA requirements for wilderness first aid training among all crews participating in national and council high adventure camps. **Lunch is provided both days. Electronic copies of the participant guide books will be emailed upon registration.**

Course participants must be at least 14 years of age and possess current certification in adult CPR/AED. Central Community College offers CPR classes in communities around the council. Visit link below for class listings:

<https://www.ccnneb.edu/communityclassearch?type=45>

Topics Include:

- Head (brain), neck, and spinal injuries
- Hypothermia
- Allergies and anaphylaxis
- Bone and joint injuries
- Wounds and wound infection
- Heat-related emergencies
