LEADER'S GUIDE

**Arapahoe, NE

What is Archery Day?

Archery is among the favorite activities for many Cub Scouts, but scouts don't get many opportunities to do shooting sports because it has to be a district or council event. This event was created to give Cub Scouts a chance to learn more about archery and get lots of practice. By the end of the event, scouts will have completed the requirements to earn both the shooting sports patch for their rank and the archery pin to put on it. The patch and pin are included with the registration fee.
