

Merit Badge University Scout Spirit Stick

The establishment of the **MBU Scout Spirit Award** is intended to accomplish an important objective. The award is intended as a way for Merit Badge University to recognize those Scouts who are really involved in Scouting, those who are doing the right things, and those who personify Scout Spirit.

Each Troop can submit one nominee each year to a special committee established by the Merit Badge University. Applications will be accepted until noon on Saturday. Please bring completed forms to HQ located at Stuhr Museum. The committee will complete the judging and selection process by Merit Badge University and the winner will be formally recognized at the Award Ceremony held on Sunday morning during MBU.

Criteria for receiving the award will include such things as living the Scout Oath and Law, Scout Spirit, Rank Advancement, Merit Badge work, attendance at summer camp, leadership positions, high adventure activities, leadership training as a participant or on staff, and community service work. Scouts who want to participate must complete the attached application.

This is an excellent way to keep your Scouts' spirits soaring high and provide you an additional recognition opportunity. Please cover this information with your Scouts so they can be prepared to apply for the award.

Application For The MBU Scout Spirit Stick Award

(Please print or type.)
