

I want to welcome you to National Youth Leadership Training, otherwise known as NYLT. This year's course will be held at the Outdoor Education Center in Walton, June 25th to the 30th

My name is Cole Schroeder. I am the Senior Patrol Leader for the upcoming NYLT course.

A little about me:

- I'm 18 and just graduated from Abraham Lincoln High School in Council Bluffs, Iowa.
- I am going to Iowa Western Community College. My goal is to get a degree in Education.
- During school I was involved with:
 - Tennis team for two years
 - Bowling for one year
 - IHSSA Speech for three years in which I made it to the All-State competition in both group and individual events.
 - I have been in countless plays including Some Being Fools and Check Please
 - I directed a One-Act play my friend and I wrote.

My career in scouting:

- I was a participant in NYLT in 2019
- I have been on NYLT staff for three years
- I am an Eagle Scout with Troop 144 in Lincoln

The skills learned here at NYLT have truly assisted me and made getting my Eagle a reality. The skills I have learned will prepare me for college and what life holds for me.

I look forward to meeting you at NYLT this coming June.
