Not only will they have the opportunity to dip their fingers in many areas of interest, they will also be working on many different adventures for their appropriate rank.

Webelos Camp, for Cub Scouts graduating 3rd or 4th grade, provides a fun-filled environment, with just the right mix of challenges to give them a glimpse of the next horizon in their scouting adventure.

The activities are planned specifically for Webelos and will greatly aid the Webelos Leader in helping those energetic Scouts try new skills in the outdoors. Webelos will be instructed in a variety of activity and advancements throughout the entire 4 days at Camp.

Webelos Camp provides an excellent growth opportunity as Cub Scouts make the transition to the long-term camping experience they will have in their future years in a Scouts BSA Troop.
