Dear Scouting Family,

As your Program Director, it is my absolute pleasure to welcome you and your unit to the 2024 camping season at Camp Cornhusker!

Sixteen years ago, I started serving on summer camp staff at Camp Bob Hardin in Saluda, North Carolina. After seven years there, the Scouting Program took me to Alaska to continue serving our youth. After two years in Alaska, the Scouting Program brought me here to Camp Cornhusker, where I have had the privilege to serve as Program Director for the past seven summers.

We have been listening to your thoughts and concerns as we look over every evaluation. The leadership team has been hard at work planning and prepping with our staff members to run the best program we can for all our Scouts and Scouters. We have spent countless hours looking over each part of our summer camp experience. This begins with our check-in process on Sunday to our checkout process on Saturday and everything in between. We are committed to delivering the best camp experience around!

I am humbled to be able to serve as your Program Director and I commit to you that I will work tirelessly to ensure that each person who comes through our front gates, whether returning to Cornhusker or entering for the first time, has a memorable experience.

Out of all of my travels, Camp Cornhusker has become my “home away from home”. From the minute I stepped foot on the property seven years ago, I have had the time of my life developing program and serving youth and adults! To those who are returning to Camp Cornhusker, “Welcome Home.” To those joining us for the first time, it is my hope that Camp Cornhusker becomes “your home away from home”!

I look forward to seeing everyone at camp this summer!

Yours in Scouting,

Thomas Bucks

Meet your Camp Administration

Camp Director

I am Samantha (Sammi) Lowery, Camp Cornhusker's Camp Director. I worked at Cornhusker the summers of 2008 through 2012 in various positions from C.O.P.E. Instructor to Webelos Camp Director. I am a Brotherhood member of the Order of the Arrow and have gone through Wood Badge as a proud Antelope! This will be my seventh summer returning to Cornhusker and I am glad to be home!

I am a science teacher at Lincoln Southeast High School where I teach biology, chemistry, and forensic science. I am also a volunteer assistant softball coach at Lincoln East. I live in Lincoln, Nebraska with my husband, Stephen Lowery, our sons, Thomas, Charles, and Oliver, and our puppy Murphy. I am excited for the opportunity to be back at Camp Cornhusker and look forward to working with all of you!

This summer will be another fantastic camping season. Please note that this packet contains all of the overall program details for summer 2024. The Leader's Guide contains scheduling and important camp information.

Co-Camp Director

As a youth and adult, I have participated in many scouting activities, camps, and two jamborees. I look forward to providing you a great scouting experience. I hope that this program guide helps you through the process of preparing and attending Camp Cornhusker.

A summer camp experience in the making since 1956, this program isn't just the most fun your scouts will have all summer, it's an invaluable opportunity for learning, growth, and personal development. Our enthusiastic and knowledgeable staff are the ideal guides through a week of campfires, merit badges, songs, and much more!

BSA Mission Statement

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Camp Accreditation

Each summer, Camp Cornhusker goes through a rigorous accreditation process from the National Camp Accreditation Program. This means that the camp has met strict guidelines in health, safety, and programming.

Camp Cornhusker Staff Vision

If the camp were a body, then the staff would be its beating heart. The staff are the vital lifeblood of this camp and they are planning to go above and beyond once again for your Scouts. This year has a dedicated and unique group of Scouts and Scouters who cannot wait to provide a quality week of summer camp for you and your Scouts.

Merit Badge Program

Weather Impact on Program/Activities

Occasionally, severe weather may affect camp programming and activities. Aquatics, C.O.P.E., and Shooting Sports areas are often the first areas impacted. Thunder and lightning near camp can cause us to “delay” or “cancel” these activities. All decisions made by the Camp Administration are to ensure camper safety, as our first priority is to keep everyone on property safe.

Merit Badge Reports

Adult Leaders will be able to log into your Black Pug registration and check merit badge progress daily. Requirements are uploaded after dinner. On Thursday night a Merit Badge Roundtable will be held to go over any requirements needed to be completed during make-up time on Friday morning.

Hourly Merit Badge Schedule

Merit Badges are offered during each session Monday-Thursday. Friday morning is used for troop time or Merit-Badge make-up time.

Session 1: 8:45 – 10:00 AM
Session 2: 10:15 AM – 11:30 AM
Session 3: 1:15 PM – 2:30 PM
Session 4: 2:45 PM – 4:00 PM

Sessions are 75 minutes in length with 15 minutes between sessions so Scouts can get to their next activity on time. Some merit badges and activities span multiple sessions. As a result, someone signed up for C.O.P.E., Environmental Science Merit Badge, or Trail to First Class will need to be aware of the schedule.

Scoutmasters will be able to sign-up for merit badges and activities beginning no earlier than **January 1, 2024**. Merit badges and other activities each have a maximum enrollment based on facility, equipment, and instruction limitations, so it is important that Scouts sign up for the merit badges and activities they want to participate in as soon as possible.

This schedule will allow Scouts to complete their merit badges and receive fewer partials at the end of your week at Camp. We hope that you and your Scouts will benefit from this scheduling. For some merit badges, additional time may be needed to be spent observing, practicing, or involved in project work. It is imperative for each Scout to check- in to their merit badges to receive credit for the work they complete.

Swim Check

All Scouts and Leaders attending Summer Camp must take the Scouts BSA swim check to enter the water. The swimming ability of all Scouts and leaders must be evaluated annually before they can take part in any aquatics activity, per BSA policy as contained in the Guide to Safe Scouting.

The unit may also hold their own “unit swim check” in accordance with B.S.A. Standards, <https://filestore.scouting.org/filestore/outdoor%20program/aquatics/pdf/430-122.pdf>. Units that have already completed their swim checks before arrival to camp should present a copy of the results to the Aquatics Director. The aquatics staff reserves the right to re-check any Scout at camp.

This can really streamline your Sunday afternoon!

Any Scouts or Leaders that didn't do an early swim test will do so on Sunday. Upon completion of your swim test the appropriate buddy tag will be placed on the out-board. All scouts and leaders will be classified according to their swimming ability on the following scale: non-swimmer (white), beginner (red), and swimmer (blue).

****To participate in any aquatics merit badges or activities, scouts must complete the Swim Test prior to arriving at their selected classes. ****
