

Sorcerers & Scouts

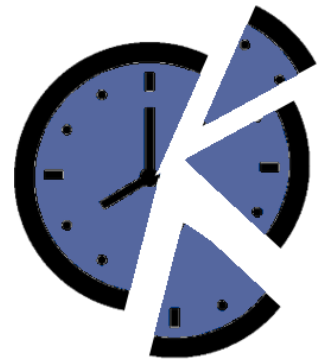

2024 “Spring Camporee”
Cornhusker Council
(Salt Valley and Seven Feathers)

August 23-25, 2024
at Branched Oak

While we thought we were planning a regular Spring Camporee, we have come to understand that a high level of aurora borealis is predicted to disrupt our timepieces. Therefore, in a departure from usual procedure, we will gather Friday at 8:00 pm for our opening ceremony. We strongly suspect that this will not be our last departure from usual procedure. For example, no one quite remembers adding "Sorcerers" to the name.

Perhaps it is a sly reference to *Dungeons & Dragons*, the hit fantasy role-playing game framed in a way that will be fun and open to all newcomers, youth, and adults.
