It's a time of uncertainty. Unrest grips the galaxy. A glimmer of hope remains in the heroic forces of the Resistance.

As they struggle against the dark might of the enemy, these brave scouts may yet learn the skills and strengths they need to move into the future...

The 2025 Cornhusker Council Klondike will revolve around the theme of STAR WARS and will draw from various parts of the STAR WARS universe.

All games and activities will in some way reflect this theme.

Please embrace the theme wholeheartedly! Keep it in mind when preparing for troop and patrol challenges, costume contest and campfire program.

You are also welcome and encouraged to design gateways, props, signs and decorations that depict the theme.

Participants can dress in character – HOWEVER No weaponry of any sort, LARP, stage, plastic or otherwise. We will provide what you need at the stations for your battle Quests. Additionally, all character clothing must be worn over appropriate clothing for typical January/February outdoor weather.

Participation Options

The Klondike Derby steering committee wants to make every unit comfortable with the event. We have several plans to fit your needs. We will operate with normal Scouting standards; Leave No Trace and Pack In/Pack Out (meaning you will pack everything in and out for the weekend).

2nd YEAR ARROW OF LIGHT Cub Scout

- Second-year Arrow of Light may attend this event if invited by and attending with a Troop. Cold-Weather Camping at council-designated locations is not authorized for Second-year Arrow of Light per the guide to safe scouting. Camporees for Second-year Arrow of Light are limited to DAY VISIT ONLY. Second-year Arrow of Light in attendance will need to be a part of an older youth patrol and cannot form their own patrol, as it is the feeling of the committee that Second-year Arrow of Light scouts do not yet possess the basic scouting skills needed to form an effective, fun, safe patrol without guidance from older more experienced scouts.

Proper clothing is a must and should be layered so the Scout can remove some layers if too hot or add layers if cold. Scout uniform is not required. Please dress appropriately. No inappropriate shoes (tennis, athlete shoes, etc.) will be allowed. Individuals will be sent home if inappropriately dressed. This should be covered at pack, second-year arrow of light den and Scouts BSA meetings if attending. This is an all-weather event, so bring plenty of clothing to change into to keep dry if necessary.

Troops must provide ALL their own meals for the Klondike Derby.

Price

- Registration for youth is \$20.00
- Registration for adults is \$15.00

- Check-out will be after program ends on Saturday or on Sunday morning, depending on whether your unit is spending the night on Saturday.

Activity Start Times

Patrol equipment checks begin at 8:30AM for morning patrol's and at 1:30PM for afternoon patrol's; please be on time. The events will start at 9:00 AM, and at 2:00 PM. Each patrol will be assigned to either the morning or afternoon activity session based on preference indicated and availability on a first-come, first-served basis. Each Scoutmaster will be notified of the start time for their troop's patrol(s) so the unit can make travel plans. - **All youth participants are required to have written permission** form signed by their parent or guardian before they can take part in the program. The form is included in this packet (one copy needed per participant).
- **2nd Year Arrow of Light cub scouts attending Klondike cannot participate in this program.**

Just like the regular Klondike Derby program, the Shooting Sports Challenge program will be offered twice on Saturday, once in the morning and then again in the afternoon.

- Participants can choose to participate either in the morning session, the afternoon session, or both.
- The cost to participate in the Shooting Sports Challenge is the base fee for the Klondike Derby plus an additional **\$5.00** per session to cover special expenses.
- Participants can choose to compete on a sled team during one half of the day and then compete in the Shooting Sports Challenge during the other half of the day, or to compete only in the Shooting Sports Challenge and then have the other half of their day free; the cost is the same either way.

All firearms will be provided; no personal firearms allowed on camp property. Eye protection and ear protection will be available for use at no charge, but participants are welcome to bring their own if they have it.

Spots are limited, so this program is only available to youth during pre-registration. If spots remain open, adults can sign up and pay to compete when they check in at camp.

Safety training is required prior to participation, and it will be held before each session, training location and time is on the schedule. Any changes will be announced during check-in. The shooting range is outside; be prepared for cold weather.
