### **Citizenship in the community**

Please bring a tablet, phone or computer to work on in class. 3a/b, 4/4a/b/c, 7a/b/c, 8.  
Will have time to start #8 in class if they desire

### **Law**

requirements 4 (talk to a LEO) and 6a (attend a session of court)

### **Geocaching**

Please bring a coat as we will be going outside for a little while  
#7 you will need to set up a free user account. With your parent or guardian's permission, go to [www.geocaching.com](http://www.geocaching.com).

### **Plumbing**

6A (1-6)

### **Cooking**

For Cooking, we will not cover 2c, 4def, 5defg, and 6de. These are the actual cooking and evaluations of their cooking requirements.

### **Communication:**

Communication prerequisites

2a: Think of a creative way to describe yourself. For example, you could write a short story or poem, a drawing or series of drawings, or a song or skit. Be prepared to present this to your counselor.

4: Interview someone you know fairly well, and listen actively to learn as much about that person as possible. Then, prepare an introduction for this person, as if you were introducing them to a crowd.

Communication requirements to be completed after the clinic

6: Teach a skill to a group of people using the plan written

8: Plan and run a troop court of honor

**Chess:**

1b # 3 may not get done in class

**Traffic safety:**

#3d demonstrate that you know how to change a tire.

#8 (careers)
