SCOUT USHERING PROGRAM ~ FREE SUMMER CAMP IN 2027!

“Why Usher?” Join a proud, 80+ year tradition of Scout Ushering at Nebraska Cornhusker football games! Serving as an usher at Nebraska football games is a tremendous opportunity for Scouts and Scouters to put the values of Scouting into action while supporting one of Nebraska’s great traditions. Being an usher means welcoming fans, providing directions, answering questions, assisting guests, and helping create a safe and enjoyable experience. Scouts have an opportunity to demonstrate that they are *helpful, friendly, courteous, kind, and cheerful*—not simply talk about those values. A large Nebraska football crowd provides a real-world leadership experience. Scouts must listen, communicate clearly, work as a team, follow instructions, solve problems, and take responsibility for their assignments. Serving as ushers at Nebraska football games is about **more than football**. It is an opportunity for Scouts and Scouters to represent Scouting America with pride, serve their fellow Nebraskans, strengthen their leadership skills, and demonstrate what it means to live the Scout Oath and Law. On game day, Scouts aren't just watching the action—they are **making a difference through service**.

“What about this free summer camp?” This year, we are offering incentives for Scouts, their leaders, and their families to join the cadre of Scout Ushers for the 2027 season! Incentives:

- Usher at every home game (7 this season), you earn a Camp Cornhusker Half Scholarship or a Scout Usher Sweatshirt.
- “Wait, you said free!” If a Scout’s parent joins their Scout for all 7 home games, they earn the other Camp Cornhusker Half Scholarship.
- Usher at 6 home games, earn a Camp Cornhusker Quarter Scholarship. Parents who usher at 6 home games, can apply their ¼ discount to that Scout.
- Usher at 3 home games, earn the Scout Ushering 2027 patch
- End of year pizza party

* Camp Cornhusker Scholarships are only good for Scout Resident Camp, Cub Resident Camp, or WEBELOS/AOL Resident Camp and only in summer 2027. Scholarships are transferable to immediate family members or grandchildren.
