

## Klondike Shooting Sports Challenge

This year's Klondike Shooting Sports Challenge will be .22 Rifle Shooting.

### • YOUTH REQUIREMENTS

- Registered Scouts BSA members (no age restriction – recommended that youth are sufficient size to safely shoot a rifle), Venturers or Sea Scouts.
- **All youth participants are required to have written permission** form signed by their parent or guardian before they can take part in the program. The form is included in this packet (one copy needed per participant).
- **WEBELOS attending Klondike cannot participate in this program.**

Just like the regular Klondike Derby program, the Shooting Sports Challenge program will be offered twice on Saturday, once in the morning and then again in the afternoon.

- Participants can choose to participate either in the morning session, the afternoon session, or both.
- The cost to participate in the Shooting Sports Challenge is the base fee for the Klondike Derby plus an additional **\$5.00 per session** to cover special expenses.
- Participants can choose to compete on a sled team during one half of the day and then compete in the Shooting Sports Challenge during the other half of the day, or to compete only in the Shooting Sports Challenge and then have the other half of their day free; the cost is the same either way.

All firearms will be provided; no personal firearms allowed on camp property. Eye protection and ear protection will be available for use at no charge, but participants are welcome to bring their own if they have it.

Spots are limited, so this program is only available to youth during pre-registration. If spots remain open, adults can sign up and pay to compete when they check in at camp.

**Safety training is required prior to participation**, and it will be held before each session, training location will be announced during check-in. The shooting range is outside; be prepared for cold weather.
