

Confirming Camp Cedars Participants

If your Camp Cedars registration was booked before January 1st, 2023, you must confirm your headcount before you will be able to enter participant names or use the Parent Portal.

To access your online registration, click the link provided in your confirmation email that was sent from mid-america@council@247scouting.com. If you cannot find the email, check your junk/spam folder. If you still cannot find it, please reach out to Member Services at mac@scouting.org or 402-431-9272.

Once logged into your registration, you will see the option to Confirm Participants.

The number of participants does not need to be exact. We can always adjust later if needed. Keep in mind, there will be cancellation fees applied for removing Scouts starting in March.

Cancellation fees are as follows:

- March 1 – May 4: \$100 fee for removing a Scout that has paid their program deposit.
- May 5 – June 1: \$100 fee per Scout removed from registration.
- After June 1: \$385 fee per Scout removed from registration.
- No cancellation fees for adults

After clicking to confirm participants, it will take you through the payment screen. Under payment options, select **Pay Other Amount** - it does not matter what amount is entered. Go to **Checkout**. Click the box to agree to Council policies. Click **Pay Later**, then **Book Registration**.

After participants are confirmed and your registration is completely booked, the individual Scout and Adult spots will appear. You will then be able to enter names and turn on the Parent Portal.

Do not select any discounts for participants until their name is entered. Once a discount is selected, you will not be able to edit their name

The \$150 paid towards your Troop deposit will appear as a reservation credit. This credit can be applied to anyone on the registration.
