Let's get ready to RACE!! The Wagon Wheel District is excited to announce in-person and live races for 2023!! This year's District race is open to the 1st, 2nd, and 3rd place winners for each Den level of each Pack! If you were not a placer we invite you to participate in our open class. Open Class participants will be able to race in the finals. It is time to compete at the next level of racing!
