## FAQs & Class Expectations

### Do students get to keep the issued program PPE gear?

No, this gear has been donated to the program for use by all students. All students must return the PPE gear at the graduation ceremony. Any student who fails to return issued PPE gear will be subject to a fine.

### Do students need to attend all of the classes to graduate?

Students must participate in all of the classes to graduate from the program. Considerations will be given for emergencies or prior scheduling conflicts.

### Where will I be able to view photos from each class?

All photos will be posted to our Tri-County Fire Facebook Page: @TriCountyFireNE

### Uniform & Appearance

All students shall wear the uniform shirt provided, issued ID badge, long pants, and closed-toe shoes. Long hair must be pulled back and tied. Uniform shirts may not be worn outside official functions without prior permission. All students shall be neat and clean in appearance as they are representing the Tri-County Fire Corps program.

### Cellphones, Photos, & Videos

At no time will students be permitted to take pictures, use a video camera, or any other audio-visual recording device while participating in Tri-County Fire Corps class. Students will be granted the opportunity to take photos after each class has concluded with permission from each class instructor.

### Conduct

All students must know, understand, and follow all rules of conduct at participating Fire Departments performing Fire Corps activities. Tri-County Fire Corps reserves the right to remove, suspend, or repeal a cadet from the program for cause.
