A Message from the Section

We are so excited to host Arrowmen at Camp Hansen this year! Many great events have been planned to show off everything that Kansas and Camp Hansen has to offer! This event will give arrowmen the chance to connect with others from around the midwest, creating lifelong friendships. Additionally, they will have the chance to participate in events to leave them counting down the days until conclave in 2025! Each training offered will be specially crafted by our team to better our lodges and chapters to grow our youth! Youth will also have the opportunity to run for Section Officer positions, allowing them to help support our lodges! We cannot wait to welcome you all September 13th to kick off a phenomenal weekend.

Yours in brotherhood,
Brandon Hollister, Mitchel Breuer, and Garrett Thompson

SECTION G5
ORDER OF THE ARROW

Conclave Theme

This year's theme is... KanClave! Our host lodge, Kidi Kidish, wanted to take this opportunity to show off all of the amazing things Kansas has to offer, as well as highlight its rich history. Scouts will have the opportunity to grind wheat and build airplanes, both of which hold historical significance.

Pricing & Registration

This year, all registrations must be performed through the National Order of the Arrow Event Registration system, [NOAERS](#). Lodges may create a separate registration for collecting travel fees, however each individual must register through NOAERS as there is no contingent option active.

All attendees must be in good standing with the local Lodge and Council, including but not limited to, having a YPT completion date on or after 09/16/2022 and being current on both Scouting America dues, registration, and lodge dues (if applicable).

Pricing

Member - \$60

New Ordeal Member - \$50 (Ordeal completion from October 2023 to September 2024)

Starting September 1st, 2024, a late registration fee of \$15 will be added to each individual.

Location and Parking

Dane G. Hansen Scout Reservation, home of Camp Hansen, is located at 1004 Lake Road in Kirwin, KS which is 2 miles southwest of Kirwin and is a part of the Kirwin National Wildlife Refuge.

Lodges will be allowed to drive one vehicle into their campsite to transport gear, otherwise vehicles must be parked in the main lot, just beyond the first gate, the remainder of the weekend.

A Message from the Host Lodge

Thank you for attending this year's section conclave! We are excited to show you all that Camp Hansen has to offer and provide a wonderful camping experience for this weekend leading up to section officer elections. We have a lot in store for everyone and can't wait to meet everyone from our fellow lodges in Section G5.

Lodging

Each lodge will be provided a campsite to set-up tents and store personal belongings. Lodging will be released to lodge contingents upon arrival

Cabins are available on a first come, first serve basis for adults for \$40. Please contact Clayton Frakes (Clayton.Frakes@scouting.org) for availability and payment.

Silent Auction

A silent auction will be held on Saturday following lunch, ending before dinner. We ask that each lodge **bring a contribution of a lodge flap** to make a complete Section G5 set. It would also be phenomenal if **each lodge could bring a NOAC set** to also be auctioned off.

Individual contributions to the auction are also more than welcome. All proceeds will go towards offsetting the cost of this year's conclave and supporting the section's operations for the next year.

Activities

- Frontier Baking - Learn to bake like a scout on the frontier by grinding your own wheat into flour!
- Open Shoot - Enjoy the chance to take advantage of Camp Hansen's shooting range!
 - Rifle Shooting - \$10, 10 shots
 - Trap Shooting - \$25, 20 shots (minimum age of 14)
- Open Climb - Enjoy Kansas's beautiful landscape from high above the ground!
 - \$10 per scout, covers rental of equipment for the entire free climb period.
- Tech Building Open House - Check out Camp Hansen's one-of-a-kind technology center, showcasing industrial trades and technological focused rooms such as Welding, Woodworking, Automotive Maintenance, and Robotics!
- Cardboard Airplanes - Harness your inner engineer and Design your own cardboard airplane in the home of aviation, Kansas! Planes will be launched in competition against other lodges to see who can fly the farthest!
- Staff Hunt - An annual tradition of Section G5 is to allow the conclave staff to hide throughout the camp and have the campers track them down and capture them!

Kan-ival

This is an open activity that will take place Saturday night. Lodges are asked to bring things such as games, food, or activities for the enjoyment of all participants. Our goal is to have a wonderful closing to Conclave where everyone can come together and have fun.
