Adult Leaders

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.

Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. Registration as a merit badge counselor position does not meet this requirement. See [FAQ](#) for list of approved adult registration fee required positions.

UNIT LEADER RESPONSIBILITIES: Adult leaders are responsible for monitoring the behavior of youth members and interceding when necessary. We encourage leaders to attend merit badge class sessions to help meet the two deep leadership requirement and assist the merit badge counselor with any behavior issues. This will allow the counselors to concentrate on the Merit Badge requirements.

TRANSPORTATION: Transportation is provided to participants taking classes at off-site locations. Scouts taking classes off-site are required to use the provided transportation. Transportation is not included for any evening off-site activities. Each unit is responsible for getting their scouts to these activity locations and returning them to Stuhr Museum.

EMERGENCIES & ACCIDENT REPORTING: All medical emergencies and accidents must be reported to staff (even those not requiring medical attention).

MEALS: The following meals are provided as part of the registration fee:

Friday: dinner

Saturday: breakfast, lunch, and dinner

Sunday: breakfast

*****Please advise us of any special dietary needs we should know during registration.**

T-SHIRTS: T-shirts must be pre-ordered at the time of registration. Cost is \$15.00 each. T-shirts are included in the Early Bird registration cost. After the early bird, a t-shirt is not included. A few T-shirts may be available for sale at the event for \$20.00 each.

THE GEORGE FERRIS AWARD: The George Ferris Award will be awarded to the top unit at Merit Badge University. Judging criteria for the “George Ferris Award” are included in the troop packet you will receive at check-in.

THE “SPIRIT STICK AWARD”: The MBU Spirit Stick Award is given to two Scouts (one in Council and one out of Council) who demonstrate the true meaning of Scout spirit by living the Scout Oath and Law. Judging criteria for the “Spirit Stick Award” are included in the troop packet you will receive at check-in.
