# Camp Policies

## Adult Leadership

It is the policy of the Boy Scouts of America that trips and outings may never be led by only one adult. Two registered adult leaders OR one registered adult leader AND a parent or guardian of a scout (one of whom must be 21 years of age) are required for all trips and outings. Adults must have current Youth Protection Training. If you do not have two deep leadership, please contact any of the camp directors and we will combine your units.

## Youth Protection

BSA Youth Protection rules are in effect for camp. Refer to the Guide to Safe Scouting.

- Two deep leadership is required in the campsite any time there are youth present.
- One adult leader must be a BSA registered volunteer.
- Separate tenting arrangements must be provided for male and female adults as well as for male and female youth.
- Youth sharing tents must be no more than two years apart in age.
- In Cub Scouting, parents and guardians may share a tent with their family.
- In all other programs, youth and adults tent separately. ([Youth Protection and Barriers to Abuse FAQs](#))
- Spouses may share tents.

## Insurance

All adult leaders and Scouts must be registered members of the Boy Scouts of America. The Mid-America Council has purchased the National Boy Scouts of America Council Accident & Sickness Insurance Plan, which will cover all registered Mid-America Council Pack, Troop, and/or Crew members for both accidents and illnesses that manifest during participation in Scouting activities. All out-of-council units will not be covered by the Mid-American Council plan and should bring proof of insurance from their council (BSA Annual Health & Medical parts A & B). **All other non-Registered BSA Members (siblings and/or friends of scouts) attending camp will not be covered by the Mid-America Council insurance plan** and the parent or adult will assume responsibility for any accidents and illnesses at camp for their non-Registered BSA youth.

## Special Needs

We work hard to make our camp comfortable and accessible to those with special needs. If anyone in your unit has special dietary, health, or mobility needs, we ask that you please make your needs known as soon as possible to allow time for reasonable accommodations for your requests. **To allow adequate time for arrangements to be made, please email the camp director two weeks before the camp session.**

**Peanut Allergy:** We recognize that the occasional Scout or Scouter may have a peanut allergy. We are not able to create a peanut-free environment in camp. However, peanut-free tables will be identified in the dining pavilion if needed. It is your responsibility to let camp staff be aware of this need.

## **Staff Responsibilities**

Each activity area will have an assigned camp staff member that is familiar with the program, camp layout, and camp policies. He or she will be a registered member of the BSA and will be your group's primary resource for a quality camp experience. This person is to be your support for your program, not to provide adult leadership and discipline. The same holds true for all staff members.

## **Parking**

All vehicles must be parked in the designated lot. Behind the building next to the playground for check in and then will be directed where to park.

## **Camp Behavior**

The Scout Oath and Law will govern the behavior of all participants during the weekend. Any form of bullying, hazing, ridicule, or fighting is unacceptable and may result in expulsion from camp. Profanity is unbecoming of a Scout or Scouter and is not tolerated at camp.

## **Camper Discipline**

Discipline is the responsibility of the adult leadership attending with the unit. The camp staff is available to help with, but not take over, any discipline problem. Under no circumstances is corporal punishment allowed. Take all serious discipline problems to the Camp Director. The Camp Director reserves the right to remove any person from camp who may present a threat to any camp staff or attendees, or to camp property.

## **Alcohol and Drugs**

There are absolutely no alcoholic beverages or unapproved drugs allowed in, or to be consumed at camp. Anyone violating this policy will be asked to leave immediately and, if applicable, the appropriate law enforcement agency will be contacted. Prescription drugs need to be checked in by the camp's health officer and noted on your health form. Drugs will be dispensed by the camp health officer.

## **Tobacco Usage**

Tobacco usage is not allowed at camp. If it is legal for you to use tobacco and you must do so, you must secure permission from the Camp Director and follow strict directions on where and when it is appropriate to use.

## **Knives**

## **Trading Post**

There will be no trading post on site.

## **Dress Code**

Clothing should be appropriate for weather for all attendees. Scouts can be in either Class A uniform or Class B t-shirt. Open-toe sandals and flip flops are not permitted in camp. This is for your safety and protection.

## **Lost & Found**

## **Quiet Hours and Bedtime**

A Scout is Courteous. Quiet hours are from 10:00 pm - 7:00 am. All is quiet at 10:00 pm each evening. These hours are in effect both in the main camp and throughout the park. There should be no loud noises or other noisy events to disturb others. All scouts should remain in their own campsite until reveille. Leaders are responsible for their unit's conduct. We also have to abide by the County or State Park guidelines on noise.

## **Preventing Unauthorized Intruders**

Camp Staff and volunteer leaders play a primary role in preventing the intrusion for unauthorized volunteers or guests at camp. The following procedures will be implemented at camp to prevent intrusions of unauthorized visitors from escalating to the youth protection issues.

- All leaders and campers are instructed to wear the identification wristband supplied to them upon arrival. Camp staff are identified with appropriate staff brightly colored t-shirts or hoodies.
- Leaders will be instructed to “check in” at their campsite throughout the day. All units will be encouraged to have a leader remain in the campsite whenever possible.
- All “mobile” staff members will be trained to watch for unauthorized visitors while traveling throughout camp.
- The buddy system will be emphasized to all scouts and leaders during the welcoming SPL and Leaders meeting.
- All quiet is at 10:00 pm Friday and Saturday nights. After taps, Camp Staff will tour the camp looking for anything out of the ordinary.

### **The following procedures will be shared at the SPL and Leaders meeting:**

- All visitors must report to Camp Headquarters to sign in and out. The Camp Director keeps a log book of who is in camp at all times.
- If an unauthorized visitor is suspected, notify the nearest program area or volunteer leader. All program area directors will be made aware of the best communication methods available. The program area director should report the suspected intrusion to Headquarters. The program area director should remain available to provide more information. Do not allow the suspected intruder to roam free without supervision or monitoring.
- The Camp Director will proceed to the area with another adult member of the camp staff to question the suspected intruder.
- If the suspected intruder flees, the Camp Director and Camp Staff will determine the best course of action moving forward.
- Program areas should continue as usual unless the Camp Director determines the situation warrants a return of all Scouts and leaders to their campsites. If necessary, the camp will implement the lost scout Emergency procedures.
- The Scout Executive will be notified. An assessment of the situation will be made and, if warranted, the local law enforcement agency will be notified.
