

## Credit Changes for Heartland University of Scouting

The basic requirements for degrees from the Heartland University of Scouting (HUoS) are as follows:

Bachelors degree\* 8 hours

Masters degree\* 8 additional hours (16 total)

Doctorate degree 12 additional hours (28 total), including completion of the doctoral studies course and submission of an approved thesis

Fellow designation 12 additional hours (40 total), including implementation and approved documentation of the solution to the problem suggested in the thesis

\*Credits earned at another University of Scouting or Commissioner College (other than credits earned at Commissioner Basic Training) may be transferred as credit to the HUoS for Bachelors and Masters degrees. All credits for Doctorate degrees and Fellow designation must be earned at the HUoS.

We will assume that you complete the number of hours for which you register this year. **If the number of hours for which you register changes** (more or less; no need to let us know if you just traded a class for another) or if you would like to verify the hours that we have recorded for you through 2014, **please complete and mail the form on this page or place it in the evaluation box before you leave.** If this information is not received by November 20<sup>th</sup>, it will not be considered for the granting of degrees for 2015.
