

TRI-COUNTY FIRE CORPS EXPLORING PROGRAM

Discover a career through exploring!

Learn the skills necessary for a career in firefighting through classroom instruction and hands on experiences. Training in areas such as CPR/AED, fire extinguishers, ropes and knots, hose rolls, search and rescue, ladders, hazmat awareness and ventilation will be covered. You will receive two certificates, one for CPR and one for Stop the Bleed.

The fee to join this program is \$50 and the program is open to students ages 16-19. Classes are offered in the spring and fall and space is limited.

If you are interested, please visit www.omaha-fire.org and click on the Tri-County Fire Corps Exploring tab for more information including upcoming class dates, registration information, and other opportunities.
