Griswold Scout Reservation Program

Griswold Scout Reservation has two main program options

- 1) Individual Merit Badge Program / Unit or Patrol Afternoon Activities
- 2) Patrol Day Long Program

Merit Badge Program

Refer to Merit Badge Schedule on Page 8 & Daily Program Schedule on Page 7

Monday and Tuesday will consist of the same two merit badge blocks, whereas Wednesday and Thursday will consist of two different merit badge blocks. In total, there are four available merit badge blocks. Some merit badges and programs, such as Frontier! and Lifesaving, may take up two blocks such as Merit Badge Block 1 and Block 2. These programs will run Monday through Thursday, either from 9-10:30 AM, or 10:45-12:15PM.

Unit / Troop Activities

Refer to the Troop/Unit Activity planning worksheet on Page 11

Every day, including Friday, there will be two blocks for Unit/Troop activities. These programs are designed to provide fun, enriching, and challenging experiences for Scouts. You will receive the final schedule in the check-in packet when the troop arrives to camp.

As always, we support your unit's program. If you would rather conduct your own program during this time, please do so!

Additional Programming

Some additional program opportunities exist for scouts, some within the troop activity blocks (e.g. Mile Swim Award), and some outside of normal program hours (e.g. Polar Bear Swim). More information for these programs will be announced during flag ceremony and meal time announcements.

Camp wide Activities

Refer to the Open Program Schedule on Page 14

During the evening, Monday through Thursday, many program areas will open for open programs! Come with your unit, patrol, or just buddy pair! This is a great opportunity to try new activities, meet new people, and just have fun! Select programs will continue until the evening and end at 9:00PM. On Friday, following lunch, camp wide competitions and open programs will be conducted all day until dinner! Challenge another unit! Enjoy programs!

Merit Badge Planning and Preparation

Selecting Merit Badges

Selecting a merit badge depends on a variety of factors: the Scout's age, abilities, and the unit's year-round program. Each Scout's schedule should be challenging, but attainable. A Scout is at camp to have fun, not to be frustrated with incomplete merit badges. Remember each Scout is different, so each case should be handled individually. Most importantly, it's not how many merit badges are earned; it's how great of a time they had.

We highly recommend all new Scouts join the Frontier! Program.

Prerequisites

Numerous merit badges require work that must be done outside of camp to complete the merit badge. Please consult BlackPug for further prerequisite information. To receive credit for work done outside of camp, please bring proof on the first day of class.

A prerequisite guide will also be available along with recommendations for each program area.

Merit Badge Supplies

Some merit badges may require additional fees. Please reference BlackPug for more information.

Partials

Any Scout finishing some, but not all, of the requirements for a merit badge will receive a "partial" merit badge. It tells what a Scout has and has not completed. They can work on requirements until their 18th birthday to complete any merit badge either at home with a qualified counselor or next summer at Griswold Scout Reservation. A counselor reserves the right to re-test previously passed requirements. Scouts should not have to fully re-take a merit badge if they have partial credit. Consult the Program Director for advice in this matter.

Extra Help

If a Scout is having trouble with any merit badge, we will give the help needed. Arrangements can be made for extra or make-up time with the counselor.

Accommodation

We understand some Scouts may need accommodation. GSR and Hidden Valley Scout Camp will do everything in their power to support these. Please contact the Camp Director and/or Program Director at/or prior to your Pre-Camp Meeting to address this issue.

Advancement Policy

As always, GSR's advancement policy is that a Scout must complete 100% of the requirements before receiving the badge. Some merit badges cannot be completed during camp unless prior work has been done before arriving at camp.

Griswold Scout Reservation will not sign off any scout rank requirements. These must be signed off by the Troop.

Day Long Program

If you're interested in experiencing any of our Day Long Programs (White Water Wednesday, Gunstock Zipline Trip or TREK) you can sign up for these All Day Programs. Each includes a FULL day (From 9 AM until 5 PM) of program of your choosing where you can have fun and possibly earn merit badges. This is by individual sign up, but it is recommended to sign up with a buddy. For this experience, you should choose two All Day programs and two days, either Monday/Tuesday or Wednesday/Thursday. Then Scouts will choose Merit badge programs for the other 2 days. On your chosen days, you will gather at Valley Admin after breakfast to be brought over via bus to your All Day Program. TREK can include up to 3 days and 2 nights (Wednesday to Friday) if you like.

Evening Program

These programs do not require advanced sign-up, just show up with a buddy!

These programs are subject to change at a moment's notice

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
7:15-8pm	Opening Campfire	Cowboy Action Shoot (Range Activities)	Water Carnival (Main Waterfront)	Hidden Valley Iron Man! (Main Waterfront)	Open Swim (Main WF)	Free Block

Campfires

Our opening campfire on Sunday provides you with the knowledge to tackle the week at GSR, with plenty of laughs and skits!

Want to showcase a skit, stunt, or song in front of the entire camp? Now is your chance! We encourage each unit to do a skit during our Friday closing campfire!

Our camp staff will continue to showcase our amazing skits! To showcase your skit, it must be approved by the Program Director at the Friday SPL Meeting– at the latest!

If it's not quite ready, we'll help develop it!

Day-to-Day Expectations

Sunday Check-In

Sunday is the day we all anxiously look forward to: the first day of camp! You will be given a check-in time during your pre-camp meeting, between 1 PM and 3 PM. Your troop should arrive at your given time where you will then be ushered in by our staff, who will help you find your troop's campsite sign to begin unloading your gear. Our commissioner team will then deliver your gear up to your campsite for you. Once your whole troop is gathered and gear is unloaded, you will be greeted by a staff member who will be your tour guide for the afternoon. This tour guide will take you to drop off necessary medications and forms, to the dining hall to get acquainted with our meal procedures, to the waterfront for your swim test, and to your campsite to begin unpacking. Along the way, you will also be introduced to each of our areas, feel free to ask any questions you may have about camp at this time!

Dining Hall & Patrol Cooking

Meals will be provided in the Gilbert Hall for campers, adult leaders, and staff members. Breakfast, Lunch and dinner will be served in the traditional family-style manner. Class A's will be expected to be worn during dinner.

Troops will also be given the option to participate in patrol cooking! Those troops participating in patrol cooking at their campsites will not be required to attend flags in the morning, but they will be expected to attend flags before dinner. Please note that patrol cooking is only offered to a limited number of troops on a first come first serve basis during registration. Also note that if your troop decides to participate in patrol cooking, the entire troop will be expected to participate for the entirety of the week. Your campsite commissioner will be able to help with any needs. Equipment and uncooked food will be provided.

Day Pack Essentials

Because you will be doing so much walking and visiting so many various areas of camp, we recommend you carry a day pack with you during Sunday check-in. This day pack should consist of:

Swimwear/Goggles

Towel

Sunblock

Class A (if needed for photos)

Water Bottle

Weather Dependent Gear (if necessary)

Merit Badge Block Schedule

Monday through Thursday mornings will consist of merit badge blocks. Merit Badge Block 1 begins at 9AM and ends at 10:25. One session of Block 1 runs on Monday and Tuesday, with a second session running on Wednesday and Thursday. Block 2 will begin at 10:40 of the same four days, and continue until 12:05. Some programs may require all four days during one Block, and some may require both Blocks for two days. Please carefully review the merit badge offering chart to see how many periods each badge consumes.

Friday Program

Friday is a full day of fun! No merit badge classes! Begin the morning with merit badge “Make Up” and Open Program, then continuing to the afternoon with Troop activities like the days before! After dinner, it all comes to a close with our Awards Ceremony and our Closing Campfire!

Like last summer, this summer’s Friday theme will be a western showdown! We will continue celebrating the new cowboy action range at Range Activities. We want to make the whole camp on Friday a true cowboy experience!

Saturday Check-Out

The hardest goodbye... On Saturday morning, your troop will gather its gear and place it all by your campsite sign to be transported down to the parking lot for your departure. Then you can meet at the dining hall at 7 AM for a grab and go breakfast to depart from camp by 8 AM. From there, it's time to say goodbye for the summer to the Land Made for Scouting.

Leadership Meetings

SPL Meetings

Each day (M-F), at 1:00PM, SPLs will meet outside of Carter Lodge in Carter Grove. These meetings will take place with the Program Directors and various Commissioners. Each SPL should be ready to talk about their experience at GSR. Bring questions, comments, or concerns. These meetings are crucial to provide updates about various programs, upcoming events, and more.

Adult Leader Meetings

Have any questions, comments or concerns during your week at GSR? Come down to the Hidden Valley Council Ring (weather permitting) on Monday, Wednesday and Friday at 9am for our Coffee with the Directors! We ask that at least one leader from each unit is in attendance at these meetings to receive important information from our camp leadership team.

Don't be afraid to address any issues with your campsite Commissioner! They act as your liaison and are there for you! They can either assist or direct you to the appropriate staff.

Adult Leader Opportunities

The Griswold Guild

Want to give back to the camp we all love? Let us know! You, with the assistance of the Ranger Staff, can take on various projects around Griswold Scout Reservation. If you have any advanced skills or knowledge, let us know prior to your arrival!

Training

Please reference the GSR Adult Leader's Guide and future publications for more information about the various adult leader training courses offered.

Scoutmaster Challenge

For those adult leaders who may be up for something more, we welcome you to take on the Scoutmaster Challenge. For returning Scouters who have tackled it in the past, the Silver Award is up for earning this year, and for First Timers, the Bronze Award is waiting to be completed! See all of camp, and fill your score card for this year's prize!

Accommodation

Unfortunately, in the winter of 2023 we lost Carter Lodge, the home of the library, a place for Adult Leaders to spend their extra time. However, we do have places for leaders to get away from scouts to get work done. The Camp Bell Administration Building is open to leaders for that space, there is air conditioning, bathrooms, showers and internet access.

If you travel to Bell Admin between 9am and 9pm please file a trip plan at the Hidden Valley Administration so we can account for your location. Any time before and after there is no need for a trip plan but please be sure another leader and/or the SPL knows your whereabouts. Please either park in the lot behind the building or across the road.

Parking directly in front of the building is prohibited.

Treks and Outposts

Open to patrols of all ages! Please register at the Pre-Camp Meeting.

Choose a location and then choose a theme!

Talk with the Program Director to find a program that is best for the skills of your patrol!

Example: Crew 1971 would like to do Stargazing at the Mount Shannon Summit!

Frontier!

The Frontier! Program is designed specifically for scouts who are new to the Scouts BSA program!

The format of the program each day is modeled after an ideal meeting. All Frontier! participants will be grouped with Scouts from other Troops to form patrols and the “Frontier Troop.” Patrols will elect Patrol Leaders each day, make a flag to show unity and spirit, and do all sorts of things together. Fun and learning is the name of the game!

The Frontier Troop will spend each day learning about and experiencing the basic outdoor and Scouting skills. Because of the large volume of material to be covered, it is highly recommended and encouraged that Troops retest and review skills – before and after – which are learned in Frontier

Frontier! Scouts should always carry a water bottle, rain gear, and other supplies needed for that day in a personal daypack. Be Prepared!

On Friday, Frontier! participants will take part in their biggest challenge yet. A 5-mile hike that incorporates skills learned throughout the week! The hike also includes a trail lunch, a visit to the top of a mountain, a pass through a secluded swamp, and a tour of the Reservation! Scouts will get to explore Camp Bell!

You’ll never forget this!

Ecology

PATROL / TROOP / CREW ACTIVITIES

GSR EXPLORATION

Want to go to the summit of Mount Shannon and enjoy a ‘bird’s eye view’ of Hidden Valley? Or walk around the Swamp and explore its unique plants and animals? Maybe follow the shoreline loop of Lake Eileen? Perhaps even take an extended hike to the Mack Ridge and back while learning about the beautiful wilderness.

You can do any of these with your troop and a staff member with Plan Your Own Hike! It’s the fun of all the classic Ecology hikes in one Program!

ASTRONOMY

When you wish upon a star...you know you’re at camp. Look at the summer constellations and learn about the sky’s celestial bodies and the myths which accompany their storied history. It’s a tradition as old as time, but there’s no better time to do it than when you are at GSR.

Scouts who take the astronomy merit badge will have to meet with their class one night to complete the requirements fully.

CONSERVATION PROJECT

Help maintain Griswold Scout Reservation and practice the Outdoor Code! With permission from your troop leaders this could be used toward rank advancement and it’s a good way to give back to the “Land Made for Scouting.”

BOULDER EXPLORATION

Hike through the boulder fields and explore 10,000-year-old glacial caves while ascending the southwest slope of Mt. Shannon.

All Hikes must have at least one Adult Leader in attendance

STEM

PATROL / TROOP / CREW ACTIVITIES

PATROL WELDING (13+)

It’s the best of both worlds. Learn the basics of MIG welding and make a cool project along the way!

Handicraft

PATROL / TROOP / CREW ACTIVITIES

Check out our new Handicraft Pavillion where the old volleyball court was next to Carter Lodge!

ICE CUBE CANDLE MAKING

Grab a paper cup, add a wick, pour some wax, and then add some ice cubes...what do you get? A candle!

LEATHER SLIDE MAKING

Take this opportunity to build a slide for your neckerchief that would make even Baden-Powell proud!

PATROL FLAG MAKING

The Patrol Method is the most important method in all of Scouting. What better way to show your Patrol Spirit, than with a Patrol Flag you can be proud of having made as a team! Show your new flag off at a camp-wide assembly!

TOTEM MAKING

Have you ever wanted to make a three-dimensional 'monogram' for yourself using Scout-approved materials? Now is your chance!

CHESS TOURNEY
