

INTO THE WOODS

LEADER'S GUIDE

October 2nd - October 4, 2026

Welcome to AOL Into the Woods Weekend!

Dear Scouts & Scouters:

The AOL year is a transition period into the greater adventure of Scouting with a Troop. Thank you for being here for the Arrows of Light. Thank you for being here for their futures as Scouts, and for the future of Scouting in New Hampshire. Into the Woods is a BIG step on the trail for the AOLs and Pack and Troop Leaders --both the Adults and the Youth members-- are influential guides on their journey. The transition from the Cub Scout Pack to the Scout Troop should be as routine and seamless as the transition from elementary school to middle school. It's expected and welcomed, and eagerly anticipated. Cheerful and Friendly support and guidance this weekend will help make crossing over to a Troop that much easier for our Arrows of Light. Thank you. Because of YOU, this weekend will show the AOLs that their Scouting adventure is just beginning and about to take off.

Welcome to Into the Woods weekend. We hope that all of you have a great time and enjoy the opportunities presented by the Land Made for Scouting, Griswold Scout Reservation.

Our staff has worked diligently to make this event an enjoyable and safe endeavor. We only ask that you respect the property and those of the individuals around you.

Enjoy the offerings, and hopefully you will walk away with some requirements done, or a start on an Adventure or rank requirements.... But most of all we want you to have fun, make new friends and enjoy what scouting means to all of us.

See you soon.

Sincerely,

The Into the Woods Weekend Committee
