

2026 NNJC Jamboree Patches

In celebration of the 250th Anniversary of America the Jamboree Patch theme follows General George Washington's "Retreat to Victory". This refers to the Continental Army's strategic 1776 escape from invading British troops across New Jersey. Washington's retreat bought crucial time that ultimately led to the famous crossing of the Delaware River.

The Order of the Arrow Lodge Flap features the Lenapehoking IX bear dressed and ready to join in on the "Retreat to Victory".

Patches are in production now and when available an email will be send out. Patches can be picked up the council office or mailed out for an additional charge.

Contingent Set -

250 made only 170 available for sale.

1 for \$60
