The Boy Scout of America Tribute to Women Awards Luncheon is an annual event which honors outstanding women who serve as exemplary role models for the youth of our area through their vocations or avocations and who live their lives according to the ideas of the Scout Oath and Law.

This event raises funds to support the child abuse prevention programs by the Boy Scouts of America.  
The council ranks first of all Boy Scout councils in the nation in their fight against child abuse.

You are invited to further recognize our honorees  
with a personal congratulatory ad in our program book.
