115 Years of Scouting America

The 115th Anniversary of Scouting America marks a proud milestone in more than a century of shaping young lives. Since its founding in 1910, Scouting has reached over 130 million youth, guided by the dedication of 465,000 volunteers. Rooted in the values of character, leadership, and service, Scouting continues to inspire responsible citizens and uphold the core ideals of our nation. As we celebrate this legacy, we honor the Scouts and volunteers whose enduring commitment has strengthened communities and shaped generations of future leaders.
