# SAFETY INFORMATION

## GENERAL CAMPOREE POLICIES

- Alcohol of any kind, smoking, and vaping are prohibited while at camp
- All participants must sign-in and sign-out of camp - leaving for any reason during the event, you must sign-out with a staff member to avoid triggering a “lost person” search. See staff at the camp office - if no one is available, follow the directions posted on the door or contact Carol Gonzalez (973-229-4172), or Marco Gonzalez (201-317-3047). Check back in upon your return.
- Leave No Trace - Please practice “Leave-No-Trace” principles while in Camp and model these behaviors for your scouts and families.

## SYT & CAMPING OVERNIGHT

- All Safeguarding Youth Protection (SYT) rules, barriers to abuse, and Guide to Safe Scouting rules apply to this event.
- SYT training is required for all Scouting America registered volunteers. Recognition of Prior Training: If you completed YPT before May 22, 2025, it will be honored until May 31, 2026, after which SYT will need to be taken.
- Two registered adult leaders 21 years of age or over are required at all Scouting activities. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants
- One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.
- Overnight rules for camping:
  - All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant in that unit.
  - Adult volunteers must register in the position(s) they are serving in.
  - Registration as a merit badge counselor position does not meet this requirement. Limited exception below for Cub Scout overnight Programs.
  - Individual Scouts can volunteer for the day, however they are not allowed to stay overnight. No provisional patrols will be set up. Scouts can stay overnight with their units.
  - Cub Scout Programs – Overnight Exception:
  - Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders.
  - All adults must review the “[How to Protect your Children from Child Abuse: A Parent’s Guide](#)” that can be found in the front of each Cub Scout Handbook.
  - In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward.
  - All other overnight adults must be currently registered in an adult fee required position.

- Accommodations:
  - Separate accommodations for adult males and females and youth males and females are required.
- Tenting:
  - Separate tenting arrangements must be provided for male and female adults as well as for male and female youth.
  - Youth sharing tents must be no more than two years apart in age.
  - In Cub Scouting, parents and guardians may share a tent with their family.
  - Spouses may share tents.
- Example Scenarios
  - Cub Scout and their parent or legal guardian camp overnight and share a tent - OK
  - Cub Scout and their parent or legal guardian camp overnight with siblings in the same tent - OK
  - Cub Scout, parent or legal guardian, and grandparent camp overnight in the same tent - NO GO
    - In this case, the grandparent would need to register as a leader in the Scouting Unit AND must camp in their own tent since they are not a parent or legal guardian of the Cub Scout.
  - Cub Scout camps overnight and shares a tent with a Cub Scout of a different gender - NO GO
    - Scouts may only share a tent with other Scouts of the same gender and within 2 years of age

- Failure to follow Range Master directions will result in expulsion of the entire unit from the range and possibly from camp.

## BUDDY SYSTEM

- The buddy system is critical to keeping all participants safe while in camp. This means that under no circumstances should a youth be alone or walking around camp by themselves. They must have a buddy (parent or youth) with them at all times.
- Adults acting as buddies to youth shall be the youth's parent or legal guardian OR a registered leader with at least one other adult present at all times. At no time should an adult be alone with any youth of whom they are not the parent or legal guardian.

## VEHICLES

- Only one vehicle/trailer per unit is allowed to park at each campsite. The vehicle should park upon check-in and leave only once the unit has checked out and cleared the campsite.
- Units camping only Saturday night must have their vehicle parked at their site by 8am Saturday morning. No vehicles will be allowed driving on the camp road after 8pm on Friday night or after 8am on Saturday for Saturday arrivals.
