Patriots' Path Council

TOWN HALL GATHERING

You are invited to join the leadership of Patriots' Path Council for a special evening of transparency and vision.

You'll have the opportunity to meet and hear from our featured speaker, Scouting America's National Chair, Ricky Mason. Ricky and our council leadership will discuss the current state of Scouting America and share information on current projects and upcoming initiatives.

Most importantly we will open the floor for your questions on how we can better serve our Scouts, volunteers and families.
