Cocktails & Refreshments

As we continue celebrating America's 250th Anniversary, we invite you to join us for a special evening of appreciation and recognition. This gathering is our opportunity to thank you for your generosity and celebrate the lasting impact of your support. During the evening, we will recognize our 2026 James E. West Fellows, those who have made gifts of \$1,000 or more to the council's endowment, as well as donors who have made significant endowment, capital, and major gifts.

WHY THIS EVENING IS SPECIAL

Your generosity is more than a gift. It is an investment in the future of Scouting and the young people we serve. During this holiday season of giving and gratitude, we want to personally thank you for helping build a stronger future for Scouting.

Our setting, Carriage House at Liberty Hall Museum is equally special. With more than 250 years of American history, it was home to generations of influential leaders, including governors, congressmen, senators, philanthropists, and entrepreneurs. Among them was William Livingston, New Jersey's first elected governor and a signer of the U.S. Constitution. Today, the Carriage House at Liberty Hall Museum welcomes visitors through educational programs, community events, historic experiences, and its remarkable collections and elegant gardens.
