Camp Ranger Bob McPherson (518) 792-0897 Robert.McPherson@scouting.org

Properties Chairman Harrison Francett (518) 223-3560 hwfrancett@gmail.com

What is Beaver Day?

Beaver Day is held every spring and fall to help advance projects at Camp Wakpominee and prepare the camp for seasonal use to enhance the experience of the Scouts, Scouters and Units we serve. Enjoy a warm cabin in the winter? That wood for the stove was likely cut, split and stacked at a Beaver Day. We have several projects this year including; camp site beautification, wood cleanup, building de-winterization, dock installations, pavilion preservation, chapel ridge repair, building repairs and much more.

Looking for a specific project for you, your friends, or your unit? Give us a call. Have a special skill or trade to offer, give us a call. Free 12.oz Coca-Cola to the first ten callers!

THANK YOU!

For helping us maintain and grow the Scouting program at Camp Wakpominee
