April 25 @ 5:00 pm

Location: **Camp Wakpominee**

**What to Bring**

Use your judgement on what to bring (not everything on the list below is necessary), pay close attention to the weather report, some years ago we had freezing rain most of the time.

Lean-to's will be available and setting up a tent is also encouraged

Please bring a Silva compass: [Link to this compass on Amazon](#)

Any Silva Compass you have will work; I attached a link to one if you do not have one

Eat dinner before you arrive, we will have cracker barrel (crackers, peperoni, cheese) Friday night around the campfire.

You should also feel comfortable wearing a mask for health reasons if you so choose.

Camping Overnight gear, the Scout Basic Essentials, and appropriate clothing are the heart of camping equipment. Carry a light load of only what you need to keep yourself safe and make a good camp; leave all unnecessary items at home.
