

The thirteenth point of the Scout Law is “A Scout is Hungry...”

Your troop can fill up at the
2025 Baden-Powell Council
Hungry Games Cook-o-ree!
April 25-27, 2025
Scout Registration: \$10

What subject is always closest to a Scout’s Heart? Food, of course. At the 2025 Baden-Powell Council Cook-o-Ree in April 2025, Scouts can try new things and learn how to make their camp food more interesting and tasty. They’ll learn about handy camp gadgets, building the perfect cook fire, spices and cooking techniques, camp menu planning - all sorts of useful skills to add flavor to your troop’s meals.

We’ll start with a breakfast competition – start with the secret ingredient, and we’ll see whose cuisine will reign supreme!

Then there will be “The Roping” – the Patrols will gather ingredients from our Cornucopia to cook for lunch.

There will be competitive stations on a food theme in the morning, and instruction stations in the afternoon.

Saturday night, we’ll end up with the biggest, best Scout Feast in Council History! Every Patrol will contribute a dish, and we’ll sample (and vote on) everybody’s favorite – so start practicing recipes on the next campout!

The location for the Cook-o-ree is still a work in progress, but we’re planning on having it central to the Council. There will be more information coming out as the time approaches - mark your calendars now so you’ll be ready, and...

May the Food be
always in Your Flavor!
