Personal Accommodations

Notice to All Volunteer Registrants:

For the 2026 Season of the Badges at Barton program:

The Baden-Powell Council continues to work with the New York State Department of Parks, Recreation, & Historic Preservation and likewise the Three Falls Local Development Corporation to navigate operational needs. At this time, several operational details are in review/discussion, and remain undetermined.

The following items remain a possibility for 2026 operations. Further information will be presented once confirmed & available.

Housing/Electricity

- ✓ It remains possible that we WILL NOT have access to buildings or amenities. This includes the Dining Hall, Kitchen, and Shower House in both Main & Family camp & cabins previously used as Staff Quarters.
 - Regardless of housing limitations, Personal Tents are welcome to be utilized for staff. Designated staff “camping” area’s will be identified and communicated.
 - Motorized or Tow-Behind Campers/RV’s will be permitted and locations for their parking will be individually arranged.
- ✓ Electrical power may remain limited. Participants who elect to stay in camp are encouraged to bring non-dependent equipment and or portable forms of electric supply.
- ✓ We may not be able to accommodate specialty housing or sleep accommodations. Volunteers with specific needs are encouraged to arrange local lodging accordingly.

Dietary

- ✓ We will work to accommodate Personal Dietary Accommodations. Proper requested documentation must be submitted. *See Staff Requirements Guide
 - Staff are welcome to provide/make their own meal accommodations/arrangements however, please note that chilled and frozen storage space may be limited.

Medical

- ✓ Specific Medication Storage needs must be communicated to the camp administration in advance. We cannot presume under current circumstances that accessibility to various storage needs, equipment etc. is available. We will work to accommodate however possible once formal communication is received.
 - The Health Officer will be available to assist with medical needs/accommodations if formally communicated in advance. Staff registrants in any case are encouraged to plan your stay at camp accordingly such that your medications are secure, properly stored, and administered accordingly with their intended use.
