Help Camp Tuscarora get ready for winter—Paul Bunyan style!

Join us for a day of hands-on service as we prepare Camp Tusky for another exciting winter season. Volunteers will help split, stack, and distribute firewood throughout camp to keep our cabins and facilities ready for year-round campers.

All registered volunteers will receive a **FREE lunch**, and overnight camping is available at no cost (units must make camping reservations separately from the event registration). Bring your work gloves, sturdy footwear, and a willingness to lend a hand—we'll provide the tools, the projects, and plenty of camp spirit.
