Participants will better learn to understand and appreciate diversity and differences in our society. They will learn skills that will make them a better Scout leader. Units with trained leaders are able to deliver an improved program and a more meaningful experience for the youth Scouting serves. By attending Wood Badge, the participants will internalize the themes of Wood Badge: Living the Values, Growing, Connecting, Guiding, and Empowering.

## WHAT IS WOOD BADGE?

Reflecting the best of over a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country.

Wood Badge training was begun by Baden Powell in 1919 to ensure that the leaders of Scout troops were properly trained. Since then Wood Badge has offered advanced leadership training to thousands of Scout leaders around the world. Wood Badge builds upon the best traditions and experiences of the Boy Scouts of America and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development
