Campership - Gorton Summer Camp Application Required

Are you applying for "Campership - Gorton Summer Camp"?

Honor Camper

Voucher Code

To apply for a campership, parents need to “update information” for their Scout. There is the question above asked in the update screen. Parents should click this check box.

## Application Required

This requires an application be submitted before requesting an amount. If you have already submitted an application, be sure your name and unit information are exactly the same as it is on your application.

You can submit an application by registering at <https://247scouting.com/forms/form.php?OrgKey=BSA375&id=2657>.

Click the link in the pop-up window to fill out an application for a campership. Once you fill out the form, save. It will bring you back here. Check the campership box again and your requested amount will appear.

**THIS MUST BE COMPLETED BY MARCH 15 for Gorton & by APRIL 1 for Sam Wood or Scouthaven.**

**Please contact us with any questions**
