Speaking on behalf of our staff, volunteers, and council, Welcome Home Again!

Planning helps to ensure everyone gets the most out of summer camp. Please share this and the Leaders & Parents Guidebook with those in your unit attending camp. There you will find all the information needed to prepare for a great camp experience in 2025.

This spring expect to see the last pieces of the puzzle come together as we finalize the special program schedules, awards, and more. We are looking to add lots of fun new activities at camp based on our Stone Age theme.

We can't run camp without our volunteers, friends, and families. As we work through the winter into another year of camp, I hope everyone will join in on the fun. Whether coming to our Beaver Weekends to help with service projects or spending some time with us out at summer camp leading programs and projects, either on your own or when you attend with your unit. If you have any area of interest, please let us know!

Please feel free to contact me anytime if I can help prepare your unit in any way for camp.
