

Leaders Guide

May 10-11, 2025

INTRODUCTION

Welcome to the 2025 Camp Gorton Cuboree! Our theme this year is JAMBOREE CAMPOREE! This guide is supposed to help alleviate some of the stress leaders might have for an event like Cuboree. We hope this will give you the resources you need to have a fun weekend.

WHERE: Camp Gorton

WHEN: Saturday, May 10th-11th, 2025. Check-in 9:00-10AM

Contact person for this Cuboree is:

Upon Arrival

CHECK IN: Units will arrive at camp Saturday morning between 9:00-10: AM. Please proceed to Headquarters when you first arrive inside Camp Gorton. Please ensure you have

COPIES OF completed health forms, A and B for ALL participants.

UNIT CHECK-IN: Adult leaders will check in with the Camp Staff with their attending pack roster and get their camp site assignments.

PARKING: There is plenty of parking available for ALL vehicles and trailers. There is no parking at the campsites. If you have a special need, please let us know in advance.

MEALS: All meals will be provided (Saturday lunch and dinner, Sunday Breakfast)

SETTING UP CAMP: Our staff will direct you to where to set up your camp. We will be stressing the Pack camping during this Cuboree so the packs should be self- reliant. With that in mind, the Cub Leaders should take charge of the units as soon as equipment and scouts are unloaded. It will be up to your leaders and scouts to work together to set up in the space allowed. Units are to provide their own tents and sleeping gear. Camp tents are not available.

Do not bring more equipment than your unit needs and make sure to share the sites courteously.

NOTEWORTHY INFORMATION

SWIMMING

There MAY be an opportunity to get a little wet, but no promises. Be prepared with appropriate swim clothes. WATER SHOES ARE REQUIRED TO ENTER THE WATER.

TRADING POST

The Trading Post will be open during our event with a limited selection of snacks, drinks, and assorted items.

SEVERE WEATHER

This event is rain or shine. In the event of hazardous weather, we will relocate to indoor spaces.

HYDRATION

Be Prepared, please bring your own water bottle to carry with you. There will be refill stations around camp.

CAMPFIRE

We will have a Campfire Saturday evening. We want each Pack to prepare a song or skit for the evening so that we can all have a fun time! Please have a unit leader assist in the vetting of the songs or skits as well and turn them in at lunch time to the event chair.
